Meeting convened at 6:00pm at Fire Station #1.

Reviewed plans for the Memorial Day Pancake Breakfast.

Mike Hall will do some type of sandwich board or poster for advertising in front of the Women's Club the morning of the Breakfast.

Jim Malloy will contact the Ellsworth American to see about advertising the event.

Maureen and Caroline will check the Women's Club to see what's available for griddles. They will also make a poster explaining the purpose (signage) of the donations for the Breakfast.

Janet Michaud volunteered to be the "kitchen coordinator" that morning and any available members should plan to be at the Women's Club at 8AM the morning of the Breakfast. **If anyone has a griddle at home, please bring it for use that morning.**

Mike Hall and Jared Hichens each brought several excellent logo examples to use in our Neighborhood Watch signage. Great job!!

Eve Wilkinson, Town Manager, gave the go ahead to present the logo options at the Town Meeting on June 10, 2009. Maureen & Caroline will come up with a way to display the choices so that folks coming to Town Meeting can vote for their favorite.

Jim Malloy wanted folks to be aware of the increase in break-ins/burglaries that have taken place the past month (one instance on Paul Bunyan Road and the other on Route 1).

Due to a scheduling conflict with the Board of Selectmen Meetings, the next meeting will take place on June 18th at 6pm at Fire Station #1. **Please note, this is a change to the agreed upon meeting date of June 25th.**
