

**NEIGHBORHOOD WATCH MEETING
JUNE 18, 2009**

Present: Jared and Marilee Hitchens, Ruth Sargent, Mary Ann Higgins, Brian Clough, Ben Souders, Maureen Hall, James Malloy, and Glenn Grant

Mr. Malloy called meeting to order at 6pm.

Mr. Malloy stated that it was going to be a short business meeting tonight. Once again he gave out the phone numbers for people to call.

Emergencies	911
Town Office	963-5589
Cruiser #1	461-9217
Cruiser#2	461.6092
Hancock SO	667-7575

Mr. Malloy stated that there has not been any more burglaries in town, believes with the summer people coming back into town this deters people. There has been a rise in more car/truck thefts. Reminder to take the keys and any valuables out of your vehicle. Lock your homes at night. Mr. Malloy had two calls from residents on the Paul Bunyan Road. One was a suspicious truck and the other a suspicious person. Both complaints checked out to be nothing. Speeder complaints; if you have someone to continue to speed on your road take down the license plate number and call it in. With only 1 officer on duty at a time, it's hard to cover all the roads.

Maureen Hall presented the committee with the results of the pancake breakfast news. We raised \$395.00 towards our sign project. The breakfast was a great success and many people would like to see this down every year. The committee would like to serve breakfast before the parade next year and possibly after, something to work on during the year. Also during the town elections and town meeting we posted logo pictures we would like to see on our signs. We allowed the residents to vote on which picture they liked. The voters liked the picture of the lobster and eagle. Caroline and Maureen will try to get some quotes of how much it will cost to produce our signs from 2-3 different companies for our next meeting to review.

The next meeting is set for Thursday, July 16, 2009 at 6pm in FS#1. Mr. Malloy will surprise us with a guest speaker.

Meeting adjourned at 6:45pm
