

NEIGHBORHOOD WATCH MEETING JULY 17, 2009

Present: James Malloy, Mike & Maureen Hall, Brian Clough, Ben Souders, Janet Janet Michaud, Dallas, Charles Pomaski, Ruth Sargent, Maryann Higgins, Marilee & Jared Hichens

Mr. Malloy called the meeting to order at 6:05PM

Mr. Kane our guest speaker was unable to come tonight. Police news; we had someone vandalize 7 – 9 mailboxes on the Gouldsboro Pt. Rd last week. Someone saw a black pick-up truck around 2am but did not call it in. Incidents like this one should be called in at the time of the mischief. Biggest complaint this time of year is speeders. Anyone seeing the same vehicles speeding – call it in.

Mr. Malloy suggested putting together a flyer about the neighborhood watch program to be sent to all residents or maybe put in the Sept. newsletter as an insert. Also place extra flyers in the area stores. What would we like to see on the flyers? Maybe a 2-sided flyer with one side having our logo on it and the other side with important information. Information like;

Phone numbers of who to call: 911, Town office, and HSO (after hours)
With each of these numbers we can list what the calls should consist of.
Along with the numbers, we would like to list some helpful tips?

Mr. Malloy and Ben will work on putting together the flyer for next months meeting. The other order of business was the purchasing of signs. Mrs. Hall took our drawings to Klair Moshier (You name it) for an estimate. The estimate per sign was \$75 - \$85. Mr. Hall and others thought they maybe able to make the signs for half that. Mr. Hall will work on getting an estimate of making our own for the next meeting in Aug. The committee voted on using the lobster with the big eyes as our logo. The committee decided on making a 15x20 size sign with the wording Neighborhood Watch on the top, the lobster in the middle and the words "Violators will be cooked" on the bottom of the sign. Jared's daughter Jenny Pettigrew drew the lobster and the committee will put a thank you in the newsletter for her and send her one.

Mr. Malloy also wanted to let us know that they did a seatbelt check the other day for ½ hour and wrote out 15 warnings. They were successful and will do it again. Mr. Malloy expressed how important it was to wear your seatbelt and now it is the law.

Next meeting was set for Thursday, August 13, 2009.

Meeting adjourned at 7PM.
