

Town of Gouldsboro Solid Waste Committee Meeting Minutes
December 7, 2009

Members present: Mary Ann Higgins, Ray Jones, Janet Michaud, Becky O'Keefe, Jon Young

Member not present: Chuck Davis, Robert Hedger, Jerry Kron

A motion was made, seconded and passed to approve the minutes from the November 16th meeting.

The committee agreed to support the Municipal Review Committee's motion to move forward with its efforts to negotiate changes at PERC with private partners.

After review and discussion of Jerry's report on PERC tipping fees, the committee reiterated its recommendation to the Board of Selectmen that the town of Gouldsboro discontinue paying for the PERC tipping fees for private dumpsters.

The committee will present the new Operations Manual for the transfer station to the BOS this week.

The committee then discussed potential ways to reduce costs at the transfer station. The committee also agreed to check with other municipalities in the state to determine what others charge for the use of transfer stations, and what it costs to haul off metal from the station, and what is the value of the metal.

The next meeting will be on Monday, January 18th at 7:00 p.m. at the town office.

There being no other business, the meeting was adjourned.

Respectfully submitted,

Janet Michaud, Secretary
