## JULY 1, 2018 – JUNE 30, 2019 ANNUAL REPORT

#### **IN MEMORIAM**

#### **EVERETTE (EVIE) POTTER**

Everett "Pa" Potter Sr. embraced life for 101 years. He was born the fifth child on October 17, 1916. Everett attended the Morton Bunker School in South Gouldsboro, but preferred being in the woods or down to the shore. Tales of his years on the ocean came naturally as it was the livelihood from which he provided for his wife and five children. He fished out of South Gouldsboro, the town in which he grew up and where he and Kay raised their family. Borrowing his father's punt to haul 7 traps is where his commercial fishing career began. He had several boats over the years, and eventually retired from the Blue Horizon

due to failing eyesight. Dancing was another indoor activity that Ma and Pa enjoyed together, which was fitting because that was how they met. For as much as they liked to dance, they thrived on being with friends and family, whether it be a church service, a party or holiday gathering.

#### **EDNA GERRISH**

Edna was born Dec. 10, 1921, in Arlington, Massachusetts, the daughter of Thomas and Mary (Farrell) Bickford. She was educated in Woburn, Massachusetts, schools and graduated from high school in 1939. She enrolled at Tewksbury State Hospital L.P.N., School of Nursing. Receiving her degree, she enlisted in the U.S. Army during WWII. Edna was stationed at Maxwell Field, Montgomery, Alabama. She and her husband, Robert S. Gerrish, were married March 10, 1945, at Fort Dix, New Jersey. She worked at area nursing homes in Massachusetts. Edna was an active member of the following organizations: The Fellowship Bible Church, Burlington,

Massachusetts, a board member of the Inter Faith Center, Waltham, Massachusetts, member of the Women's Council of Gordon College, president of Gold Star Mothers, Woburn, Massachusetts, volunteer at Bedford, Massachusetts, V.A. Hospital, charter member of Women in Military Services for America and a member of the American Legion Post No. 207, Trenton.

#### **JANET MICHAUD**

Janet was born to Llewellyn and Patricia Michaud Feb. 28, 1953, in Bangor. She attended Reed College and New School of Social Research. She held the position of board governance and development at Manomet Center of Conservation and also Jackson Laboratory. She was community development director at Washington Hancock Community Agency, senior special events

coordinator at Ridgewell's, executive director at Campaign against Nuclear War and funds director at The Youth Project DC. Janet lived in multiple locations during her employment: Orono, South Portland, Portland, Ore., New York City, Washington, D.C., South Pomfret, Vermont, and Corea. Janet was a lifelong, deeply passionate social activist and world traveler. She was a gourmet cook and hostess extraordinaire. Late in life she became an artist, concentrating on found natural objects and rock sculpture, was a musician and lover of animals.

#### **IN MEMORIAM**

#### MARILYN DICKHAUT

Marilyn Dickhaut was born on the south shore of Long Island on April 29, 1935 and spent the bulk of her teenage years enjoying the pleasures of wind, sand, and surf at nearby Jones Beach. She attended Valley Stream High School and what is now Baldwin-Wallace University in Berea, Ohio. She and her husband, Walter, built the house at 32 Main Street in Prospect Harbor, where Patricia and Mike Summerer now reside.

In 1994 Marilyn was employed in the Town Office to assume the duties of Deputy Town Clerk and Deputy Tax Collector. Her work in the Town Office was her second greatest love about living in Prospect Harbor; the greatest

love -- a love that could not be surpassed by any other -- was living 75 feet from the Harbor's high water mark. Her affection for, and devotion to the residents of Gouldsboro, was unsurpassed. When asked what she liked best about her job, she would say, *knowing the residents who came into the office by name.* She was a very faithful and dedicated employee. Marilyn was instrumental in changing the paper and pencil days of Gouldsboro into the new age of computerization. She also loved to swim in the ocean and walk to the lighthouse often. She was a beautiful gardener and loved the outdoors. We were fortunate to have Marilyn serve the people of Gouldsboro for ten years before she retired.

Sadly, Marilyn died in Dublin, OH on June 8, 2018. She is survived by six grandchildren, her children Alison, Leslie, and Jon, and her husband, Walter.

#### GOULDSBORO BOSTON POST CANE HOLDER

#### Morna Briggs

"I was a tomboy growing up. I played football, I played baseball, I played basketball in High School," said Morna, describing a rough and tumble childhood that included jumping on chunks of ice when the harbor would freeze in the winter and finding an old Indian arrowhead in the sand dunes behind the town.

Briggs graduated from Bar Harbor High School in 1941 and spent that summer in Pennsylvania. In December, just weeks after the bombing at Pearl Harbor, she traveled to California with her parents to visit her brother, who was stationed at a naval shipyard. After that, Briggs returned to Corea, where she married and raised a family.

"I worked for 20 years at the canning factory in Prospect Harbor. After my husband had a pacemaker put in, I wouldn't let him go out lobster fishing alone. So I was out lobster fishing with him until I was 82. I went lobster fishing with my kids in the skiff," said Briggs. "After my father drowned in 1956, I said the ocean is not going to make me afraid. So I'd take the skiff out and I'd haul traps by hand".

In lieu of hauling lobster traps, Briggs now sticks to mostly crocheting and helps mow lawns. She has resided in the same seaside house in Corea since 1952.

#### **BOARD OF SELECTMEN**

We are pleased to offer you the 2018 Annual Town Report. We'd like to thank the front office staff for their dedication and hard work on this report as well as serving our citizens over the past year.

The Town's finances remain strong as can be seen in the attached audit report. The Budget Committee and the Board of Selectmen strive to maintain our relatively low mil rate from year to year. This year has shown itself to be a struggle with all the work we've needed to do:

- First, we were faced with the DEP telling us we could no longer store salt/sand outside at our old DOT lot on Route 1; and we had to have a pad and structure finished in a very short time in order to be ready for winter.
- We had to remove the steeple from the Prospect Harbor Woman's Club in order to stop the water damage inside the building. The repairs were covered by insurance but the steeple removal was not.
- In August, we learned that County Ambulance would be closing its doors. So in order
  to ensure our citizens would have timely transport to the hospital, we created our
  own ambulance transport service.

Also, the 2019/2020 RSU budget had an increase of about 6.9% to the Town of Gouldsboro and the County tax increased by 4.9%. With all this being said, we do expect an increase in the upcoming mil rate but our hope is that all this hard work will pay off and the increase will be minimal.

The Board of Selectmen has seen some changes in the last year. In July of 2018, Cheryl Robinson joined the board, and in October Glenn Grant resigned because he and his wife moved to Sorrento. This spring we saw the sad and untimely death of a great friend and fellow board member for a number of years, William "Farmer Bill" Thayer. He is greatly missed by all! This July we will return to a five-member board and we look forward to the future but are still grateful for the service of both Glenn and Bill.

This summer the MDOT plans to start working on Route 186 on West Bay and doing some much needed road repairs in preparation for paving next summer. Hopefully this will alleviate the issues we had last winter on West Bay. Our plan is to continue town road improvements this summer as well, with paving on Gouldsboro Point as well as other locations.

In closing, it is our privilege to serve as members of your Board of Selectmen. We do our best each year to represent the interest of all our citizens.

#### TOWN MANAGER REPORT

I'd like to thank everyone that helped make my first year on the job a bit easier to take, even with all the challenges that we've faced. First, we were met with the DEP decision to not allow us to store salt / sand at our old MDOT lot without it being in a facility that met State statues and rules. We were on a time crunch so the building that we put up was the only direction we could go in in order to be ready for the winter plowing season. As of November 2018, the building was finished and we were able to finish preparing for the impending winter season.

The long discussed and planned sidewalk project finally came to fruition after many years. The contractor that bid the work ran into several problems including a large amount of ledge that was not mentioned in the original plans. This extended the time frame of the work and a few things had to be cut from the project completely but the finished product came out quite well. And it's great to see kids and grownups alike using it!

This year also saw the departure of Selectman Glenn Grant. He and his wife moved to another town so he had to step down from his position in October. I'd like to thank him for all his time and effort working with the Board on several difficult subjects over the years as well for his continued devotion to Hardy's Friends. His presence is truly missed.

In September we were forced, by the closing of County Ambulance, to make a decision in the best interest of our citizens. With that, we created our own ambulance transport service. This process has been and remains a learning one but in the long run we feel it will be the best one for our citizens.

I'd also like to thank the Budget Committee for all their hard work over the past two budget seasons. I know we have faced many challenges with late audits and a lack of correct information in our accounting program. I think that we will soon be in a place where that situation is remedied and the process will go much smoother during the next cycle.

Above all, I'd like to thank the Board of Selectmen, who have faced many changes and challenges as well this year, for the chance to serve the people of Gouldsboro for another year. I look forward to a year of moving forward!

Respectfully,

Sherri Cox, Town Manager

"Without change there is no innovation, creativity, or incentive for improvement. Those who initiate change will have a better opportunity to manage the change that is inevitable."

- William Pollard

#### **DOG REGISTRATION**

You may register your dog at the Town Office. Dogs must be registered by December 31<sup>st</sup> each year. You need your dog's latest rabies certificate and spay/neuter certificate if applicable. The cost is \$11, or \$6 for spayed/neutered dogs. Dogs may be re-registered online at <a href="https://www1.maine.gov/cgibin/online/dog\_license/index.pl">https://www1.maine.gov/cgibin/online/dog\_license/index.pl</a>.

#### **VEHICLE REGISTRATION**

To re-register a vehicle bring your old registration, current proof of insurance, and current mileage. Vehicles may be re-registered online at <a href="http://maine.gov/online/bmv/rapid-renewal/">http://maine.gov/online/bmv/rapid-renewal/</a>.

For a **NEWLY PURCHASED** vehicle registration: bring current proof of insurance, current mileage, bill of sale that includes VIN and date of Sale (dealer sales will include sales tax paid), and previous title if the vehicle is 1995 or newer. \*FYI- Your excise tax is based on the Manufacturer's suggested retail price at the time the vehicle was new, not what you paid for it. This is a Maine State Law. \*On a private sale of any vehicle, you are required by State law to pay sales tax at the time of the registration.

#### ATV / BOATS / SNOWMOBILES

To register a <u>snowmobile</u> or an <u>ATV</u>: bring bill of sale that includes the VIN/serial number.

To register a <u>boat</u>: bring bill of sale that includes the VIN/serial number, horsepower, length of boat, year make, and whether it is salt or fresh water. Having the old registration is helpful. \*On a private sale of any vehicle, you are required by State law to pay sales tax at the time of registration.

#### TOWN SERVICES – THINGS YOU SHOULD KNOW

Mailing Address:Town of GouldsboroPhone: (207) 963-5589

PO Box 68 Fax: (207) 963-2986

Prospect Harbor, ME 04669 **Website:** <u>www.gouldsborotown.com</u>

Physical address: 59 Main Street. Prospect Harbor, ME 04669

Office Hours: Monday & Wednesday; 8AM – 4PM Tuesday & Thursday; 8AM – 5PM

Friday; 8AM – 1PM

**Birth, Death and Marriage Certificates** are issued at the town office. ID must be provided and a form filled out before obtaining the documents. Please call 963-5589 to make sure someone is available to certify your document. You can also get certificates online at: http://www.vitalrec.com/me.htm.

**Curbside Trash** pickup is Thursday (must be curbside by 7AM). Trash tags are required for pick up. Tags are \$1.25 each and available at Mc's Market, Young's Market, Anderson Hardware, and the Gouldsboro Town Office. Trash must have a full tag; a partial tag will NOT be accepted. Also, cash in an envelope or an IOU attached to a bag is NOT acceptable. Maximum weight limit for one bag with one tag is 40 pounds.\***Garbage IS** <u>always</u> picked up on the scheduled day even if it falls on a holiday.

**The Transfer Station** is open Friday (noon) 12PM–4PM and Sunday 10AM–4PM. Transfer station cards are available at the Town Office for \$15.00 and expire April 30<sup>th</sup> each year. \*The Transfer Station is always open on scheduled days even if it falls on a holiday.

#### **GOULDSBORO SHELLFISH**

To the residents of Gouldsboro, another year has passed and 2018 was a busy year. We continued several of our projects from 2017 and added others. Listed below are some of those projects:

2018 was the 2<sup>nd</sup> year of the grant from Down East Institute; we planted 100,000 seed clams off Joy Seas Lane in West Bay. We took the nets up late in the fall; it appeared that we had great results. We re-netted the same area early in the spring to protect the small clams from green crabs. The reason for re-netting is to allow the clams to grow and produce spat to hopefully help naturally seed the flats even more. We planted another 50,000 in the same area. We conducted 2 plant pot projects with DEI again this year. We had one project in Bunker Cove on the South side of Schieffelins Point. We planted 36 six inch plant pots with 12 pots in each of 3 locations of the tidal zone, each pot contained 12

seed clams, some were covered with netting and some were left open. We are looking for 2 things by doing this project: we are looking to see how fast the seed clams grow and if we collect any natural spat. In the 2<sup>nd</sup> location on the South side of Lesko Lane on the inside of Hog Island we duplicated the plant pot project using the same layout.

We trapped green crabs in West Bay and Jones Cove

We collected moon snail collars in Joy Bay again this year, we found none

We did our box project again last year in John Small Cove along with DMR; the project was carried out differently last year compared to the year before. We used 2 different type of treatments, 1 was what is called The Beal Box, which is a wooden box covered with a piece of pet screen on the top and bottom of the box; the idea is if there is spat falling it will fall through the screen and allow you to see if you are collecting spat. The box is then staked to the top of the mud and will be taken up in the fall. If we collect any spat, they will be counted and measured. The 2<sup>nd</sup> treatment

was done by using plastic boxes 1 foot by 1 foot and then filled with mud and placed down into the mud, some of the boxes were covered with netting and some were left open; the objective is to collect any spat that falls through the water column and lands in them. Some of the boxes will be sampled; the others will be dumped back onto the flats. The area was then netted until late in the fall to allow the clams to reset themselves and protect them from the green crabs.

The students from Sumner Memorial High School assisted in the removal of the 2 listed projects above; they worked in measuring analyzing and organizing the data. The results were presented to the Shellfish Committee, Selectmen and residents who attended the Shellfish Meeting on March 20, 2019.

I would like to remind anyone with any questions or anyone who sees someone clamming in an area that is closed to give me a call at 669-5359. All complaints will be kept confidential. I would also like to take this opportunity to thank all the land owners who allow the diggers access to the shore across their property.

Respectively Submitted,
Michael A. Pinkham, Shellfish Warden

#### ASSESSOR'S REPORT

April 1<sup>st</sup> is the day property taxes are assessed every year. Property is assessed to the owner of record and new construction projects are assessed annually by the percent of completion on April 1<sup>st</sup>. Tax maps are updated as of April 1st. Applications for tax exemptions and current use programs (Veterans, Homestead, and Blind exemptions; current use Tree Growth; Farmland; Open Space; and Working Waterfront). All must be filed with the Assessor on or before April 1<sup>st</sup>. Applications are available at the Assessor's office.

My assistant, Cindy Lowe, continues to learn quickly. We continue to put sketches and pictures into the computer program. This project is just under 50% complete. The plan is to end up with new values with sketches, pictures, and relevant data and a trained staff on-line in 2022 or 2023. The office should begin the work needed to adjust the current values established in 2005 through 2008. A study of sales starting in 2018 and continuing until a revaluation occurs is needed to defend changes in land and building costs that will be required to more accurately represent current and future market conditions.

We try to maintain equity at a reasonable cost. Thank you Cindy for your help, hard work, positive attitude and sense of humor.

Office hours are 8AM to 3PM Wednesday and 8AM to 3PM Tuesday and Thursday for questions call (207-969-5589).

Sincerely,
Gary R. Geaghan CMA
Assessor

#### FIVE YEAR VALUATION COMPARISIONS

	2018	2017	2016	2015	2014
State Valuation	403,550,000	412,300,000	407,550,000	396,600,000	389,150,000

#### OFFICE OF TOWN INFRASTRUCTURE

**TOWN PROPERTY**: As everyone may or may not be aware of, the steeple at the Prospect Harbor Woman's Club has been removed and the roof has been repaired. The entryway ceiling has been replaced and by the time this goes to print the new acoustic ceiling tiles will have been installed over the main ceiling.

The last half of the roof at the Recreation Center has been replaced so we should be all set for a number of years now.

There has been some ongoing discussion about the Jones Pond Recreation house/area. Stay tuned!

We now have a new sand/salt building at our Route 1 Public Works site. Please feel free to stop in and check it out. The building is 150ft long, 65ft wide, 32ft tall and holds approximately 5000 yards of sand and salt for our winter road needs.

**ROADS**: Last summer and fall we did some brushing, ditching and paving work on Gouldsboro Point Road, Paul Bunyan Road, Peninsula, and Grand Marsh Bay roads. This year my hope is to do more brushing to include Young's Farm Road, Chicken Mill Road, Grand Marsh Bay, and the first part of the Shore Road. The intention is to resurface areas that were repaired last fall, depending on quotes we receive.

We also intend to do some more repair work to the road surface so that next year those areas may be resurfaced. We intended to go further down Gouldsboro Point Road to include ditching and culvert replacement.

**CODE ENFORCEMENT**: 88 Permits were issued in 2018. 11 new homes to include mobile homes, 10 home additions, 13 garages, 20 sheds, 11 decks/porches and 13 other.

Please remember any new construction that increases the footprint of your property requires a building permit. Any work within the 250' Shoreland Zone requires a permit. If you have any questions about the flood plain call me and I'll try and help.

There are some new ordinance updates that will be coming up at Town Meeting to include a restructuring of the permit fee schedule. It doesn't happen often but prices are going <u>DOWN</u>.

If I can be any help or answer any questions, give me a call. I'm available Monday thru Friday; sometimes you might even catch me on a weekend day!

Jim McLean
Office # 207-963-5589
Cell # 207-460-7117

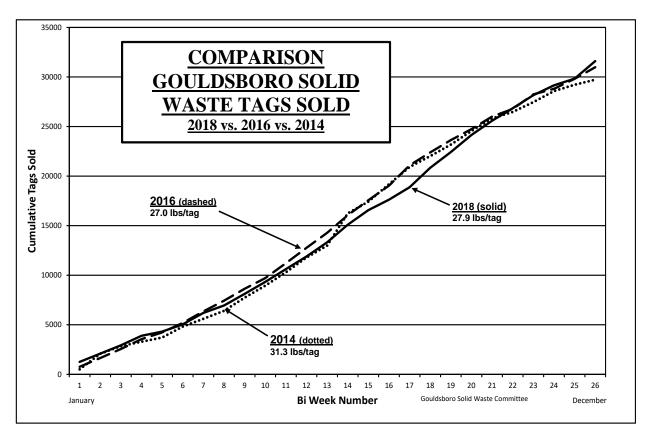

#### PLANNING BOARD COMMITTEE

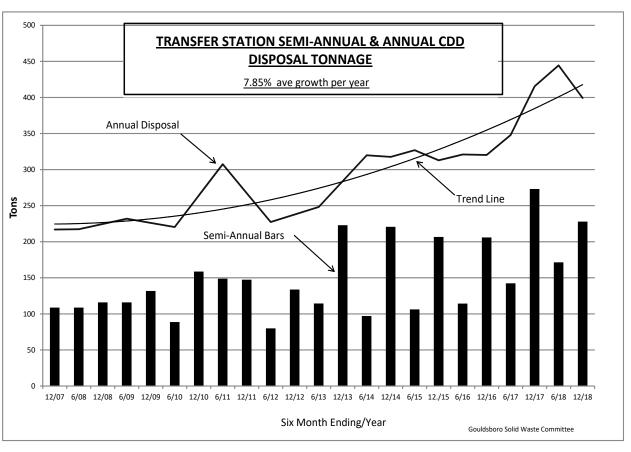

There has been a lot of new activity this year as the economy has improved; six site plans have been approved for new businesses or changes of use; Acadia East Pocket (tent camping), Dorcas Learning Center, Springtide Organics, Antique Annex, West Bay General Store, and Maine Coast Smokehouse. One subdivision, Jones Ridge, has been approved. At of this writing, a second subdivision is in the approval process, Peninsula Shores subdivision. In addition to these activities four ordinances are being updated and condensed, becoming more user friendly. Hopefully these will be ready for Town Meeting in June

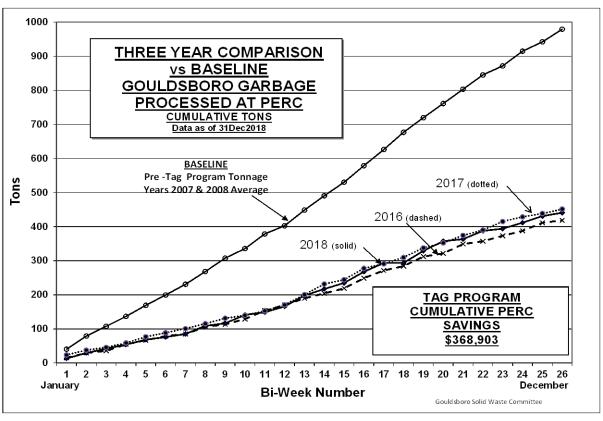

#### **SOLID WASTE COMMITTEE**

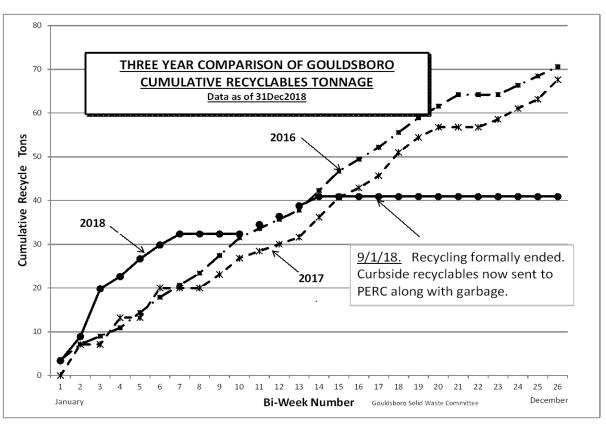

This has been a very busy year, with many things happening with the town's Solid Waste program. There have been two town cleanups, one roadside and the other shoreline. Emera has run electricity to the Transfer Station and now there is heat in the operator's building. Unfortunately, there is also some bad news... Recycling pickup has been canceled. Due to the extreme rise in cost to recycle twice the cost of trash, the Board of Selectmen discontinued the recycle pickup and included those items in the regular weekly trash pickup.

Last fall a new program was started, "TRAPS-2-TREASURES". The Solid Waste Committee and the Board of Selectmen was approached by this organization for purposes of recycling traps recovered from the sea. Working with the schools this program will be training students in various nautical skills while retrieving ghost traps in the sea and on the shores of Maine. It is estimated the numbers are in the thousands! Last fall an area adjacent to the Transfer Station was cleared for the establishment of a base for this program, which will include a building for processing the traps and an area for the storage of traps to be processed. As a nonprofit program, funding is by grants and private funds. The plus to the Town will be the recognition for being part of this program.

#### GOULDSBORO POLICE DEPARTMENT

P.O. BOX 68 PROSPECT HARBOR, ME. 04669 OFFICE #: (207)-963-5589 NON-EMERGENCY #: (207)-667-8866 EMERGENCY #: 9-1-1 FAX #: (207)-963-2986

#### Dear Gouldsboro Residents:

The Gouldsboro Police Department continually strives for the reduction and prevention of crimes in our community by providing proactive enforcement of the state's criminal and civil laws and by the department's availability to its residents and their concerns. Our goal is to provide the utmost professional law enforcement services to the residents of the Town of Gouldsboro.

In 2018 the department handled 932 calls for service including 9 school visits, 79 property checks, and over 60 arrests. We conducted over 630 traffic stops and issued over 100 traffic citations. 2018 was the highest call volume year within the past 10 years for the police department. The second highest year was 2012 at 836 calls for service.

The department has undergone several changes in the past year to provide better quality service to the residents of Gouldsboro. For the first time in the department's history, we have staff on hand that are certified Maine Criminal Justice Academy instructors and armorers. Chief Dunbar is a TASER electronic controlled weapon instructor, firearm instructor and urban rifle instructor. These certifications allow our department to host trainings "in-house" without depending on other department's instructors as we have years prior. Officer Shively became a certified GLOCK and AR15/M16 armorer to perform routine maintenance to the department's firearms and conduct repairs as necessary. Officer Shively also became one of the county's few certified Law Enforcement Phlebotomist Technicians. This allows Officer Shively to draw blood in the field for OUI or fatal crash scene investigations. Officer Shively is commonly called out by other law enforcement agencies to assist with this function.

We have improved our website found at www.gouldsborotown.com/police-department. Checkout the Gouldsboro Police Blog and Police Beat which depict what our department has been up to. These are updated routinely.

**Current Department Members:** 

- Chief Tyler Dunbar
- Officer John Shively
- Reserve Officer Eli Brown

Respectfully submitted, Tyler Dunbar Chief of Police

rptrttcr.r5 01/17/19

It is hard to believe Hardy's Friends is now ten years old. The organization was inspired by a story in Rene Ordway's July 5-6, 2008 column in the Bangor Daily News about a dog found sitting alone by the back door of the Bangor Humane Society. The dog wasn't tethered; he was just sitting where his owner had left him, next to a food dish and a note that said, "I'm a veteran. I can't afford to keep him. Please take care of my dog."

Right then we decided that no Gouldsboro or Winter Harbor pet owner should be forced to surrender a family pet, or limit their own food, medication, or heating oil to provide for a beloved cat or dog. This seemed like the right way to honor our beloved Newfoundland, Hardy.

Ten years later in 2018, with the support of businesses and residents of our two communities, Hardy's Friends has provided \$2,324.00 in pet food and supplies as well as \$13,247.00 in veterinary assistance (spay/neuter, prescribed medications, surgeries, shots, medical tests). A total of \$15,571.

We were honored to receive a \$2,000 grant from the Schoodic Community Fund and \$1,000 from the Orono-based Canine Care Helping Hand Fund.

Fund raising income included the following:

Donations	\$3,985
Electronic Waste Collection	\$885
Yard Sale	\$7,547
Canister Collections	\$1,368
South Gouldsboro Redemption	\$1,297
TOTAL	\$15,082

We are grateful for the support of the Towns of Gouldsboro and Winter Harbor as well as the many individuals who share their concern for and love of animals with us through their donations and willingness to volunteer. We couldn't do what we do without you. Thank you.

Respectfully submitted,

Susan Burke

Glenn Grant

## GOULDSBORO FIRE DEPARTMENT & SCHOODIC EMS

It's that time of year again to report on the great things happening in the Department. The members of the Fire Department and Schoodic EMS services would like to thank the residents of Gouldsboro for their support. We all have the same intentions; to work as a team to get the job done in the safest and most efficient way possible. We thank you for your continued support!

We have had many changes to our Department over this past year. First, we would like to welcome Brianna Mitchell as our new secretary! Thank you for your dedicated hours to our Department. Second, we would like to tell you about our new transport service!

In early June of 2018, members of the Gouldsboro Fire Department started looking into possibilities of starting an ambulance service under the Fire Department. Like other towns in the State of Maine, it's a great addition to have in our town as well as outlying communities. As we had approval from the Select Board, the members of our Department added a huge service to its mission statement.

After many great years of service from County Ambulance, the owner, John Partridge, decided to close the doors and discontinue EMS transport services that began in 1972. I would like to take this time to personally thank "Mr. P" and all of his employees, past and present, for a job well done! Your service will be greatly missed in Gouldsboro and all of Hancock County.

On September 1<sup>st</sup> of 2018, Schoodic EMS became a reality. We went from being a first responder unit, to a transporting service to the hospital. Many man hours and dedication of Fire Department personnel brought this service to life.

County Ambulance closed its doors largely because Capital Ambulance moved into the Ellsworth area. This forced us to either settle for possible long wait times (as they backfill from Brewer) or create our own town transport service. The decision was made, with the approval from the Selectmen, to begin our own transport service which serves our community as well as Winter Harbor.

Since the inception, we have transported over 80 townspeople and a few from the outlying communities on the peninsula. We currently have 5 licensed EMT's, 4 personnel in training; 2 advanced EMT's and multiple drivers. We are staffed 24 hours a day, 7 days a week.

We currently have 2 working ambulances. One was a donation to the town from CCEMS located in Houston, Texas. We have been very appreciative for CCEMS donating and sending the ambulance to us at no cost. We were required to replaces the engine and fix a few issues, including tires to pass Maine Commercial Vehicle Inspection. The total cost of these repairs was approximately \$17,000. This ambulance will last approximately 10 years or more. It is a great addition to the Department as a new ambulance costs over \$150,000!

We would like to take a moment to thank the men and woman who volunteer their time to our department and EMS service. They continue to go above and beyond to serve our community. Also, a big thank you to their families for allowing them to continue to make sure our community gets the safest and greatest service possible.

Thank you,

Chief Tate McLean

# LOCAL HEALTH OFFICER REPORT

Our Town's Maine Local Health Officer (LHO) position has been held by the Fire Chief of Gouldsboro for the last 4 years. There is no activity to report for this year. Below is information from Maine CDC website on couple of hot topics of interest.

## **MAIN IMMUNIZATION PROGRAM**

The Maine Immunization Program (MIP) strives to ensure full protection of all Maine children and adults from vaccine-preventable disease. Through cooperative partnerships with public and private health practitioners and community members, the MIP provides vaccine, comprehensive education and technical assistance, vaccine-preventable disease tracking and outbreak control, accessible population-based management tools, and compassionate support services that link individuals into comprehensive health care systems.

For information on the vaccines for Children Program, please see our MIP brochure (PDF).

https://www.maine.gov/dhhs/mecdc/infectious-disease/immunization/

## **LYME DISEASE**

Lyme disease is caused by a bacterium, Borrelia Burgdorferi, which is transmitted to a person through the bite of an infected deer tick (lxodes scapularis). Symptoms of Lyme disease include the formation of a characteristic expanding rash (erthema migrans, EM) 3-30 days after a tick bite. This rash occurs in approximately 70-80% of patients nationally. In Maine, EM is reported in just over 50% of patients, and Maine CDC feels that this number is lower than the actual occurrence. Fever, headache, joint and muscle pains, and fatigue are also common during the first several weeks. Later features of Lyme disease can include arthritis in one or more joints (often the knee), Bell's palsy and other cranial nerve palsies, meningitis, and carditis (AV block). Lyme disease is rarely, if ever, fatal.

For more information go to...

https://www.maine.gov/dhhs/mecdc/infectious-disease/epi/vector-borne/lyme/

Respectfully submitted,

Tatum McLean

# GOULDSBORO VETERANS COMMITTEE

The Gouldsboro Veterans Committee meetings are held on the first Tuesday of the month at 1PM in the meeting room of the Gouldsboro town Office. Peninsula veterans, retirees, family, and friends of veterans are invited to join us at the meetings to discuss Veterans' resource information and brainstorm ideas to increase patriotism and veterans participation in our towns and villages.

We began the 2018 year of committee activities in May with the Memorial Day parade followed by a brief program presented by our guest speaker, Michael Alteri, USN retired. The program continued with the placement of the Veterans Wreath at the Veterans Memorial which was surrounded by a flag line provided by Patriot Riders of America Maine Chapter 3. A special presentation was made to Tracy Young, US Army, retired,

the last surviving WWII veteran in our community. The Gouldsboro Veterans Committee presented Mr. Young with an engraved Veteran Walking Stick from the Cole Land Transportation Museum. This stick was decorated with flags symbolizing WWII, the Korean Conflict and the Vietnam War, of which he had participated in all three. We salute Mr. Young for his service to our country and community. This program ended with everyone enjoying refreshments served by Martha Metzler and other volunteers.

The committee concentrated its efforts on fundraising for the color guard equipment and veteran aid funds. The months of June, July and August were busy with bake and raffle ticket sales at the Kids Quest event, the United Methodist Church Seacoast Fair and the Winter Harbor Lobster Festival. Thank you to everyone who came out to help support our fundraising.

As a non-profit organization we were able to apply for the Schoodic Community Fund Grant of which we were awarded \$1,000.00 toward the purchase of the color guard equipment. We sincerely thank the Schoodic Community Fund for this monetary award.

The Veterans Day dinner was held at the Prospect Harbor Women's Club building and began with the presentation of the volunteer award to Moira Sankey, a ninth grader, in recognition of her continued volunteer support to the veterans dinner and to our community. The veterans and their families then enjoyed a delicious meal prepared and served by Roni Saul and her volunteers.

The Peninsula School conducted a veterans program called a Take-A-Vet to School Day and two of our committee members attended this event.

As a community service project this committee placed two flag retirement boxes in two Gouldsboro public buildings for the placement of worn U.S. flags. Thank you to everyone who has been placing their flags in the boxes to be disposed of in a proper retirement ceremony.

At the beginning of the winter season, we learned of a local veteran who was in need of financial help. This committee along with two other organizations were able to provide the veteran with heating assistance for the winter months. Thank you to everyone involved in this project.

We would like to honor and salute the following Schoodic Peninsula veterans who passed on in 2018: Edna Gerrish, David Phaneuf, Vinson Carter, Barbara Herrington, John Mastrovito, Sherman Merchant, Sr, Haven Ross, Sr, Eugene Kelley, and Kendall Daley.

Thank you to this great community for supporting your veterans and this committee.

Gouldsboro Veterans Committee

# **GOULDSBORO HISTORICAL SOCIETY**

Along with its new initiatives in 2018, the Gouldsboro Historical Society (GHS) continued its efforts this year to preserve the visible evidence of our Town's heritage. On the sites of our two earliest town halls, the Society maintains a Museum at the Old Town House of 1884, as well as its headquarters hall and archive at the old Methodist church building, where the first town hall stood in the 1700s. In 2018 the Society's climate-controlled Blance Archive improved its ability to preserve historic maps, charts, and documents with a new map case, appreciatively funded by the Schoodic Community Foundation. These are the resources that allow GHS to donate research assistance for anyone wishing to uncover early family history, genealogy, and the lifeways of our past. The Archive continues to be known as a safe repository for the artifacts and documents of our heritage, such as the recently donated colorful uniform material, photos, and journals of Gouldsboro's Civil War Major Augustus Hoit. Such treasures are not hidden from townspeople's view but are regularly displayed, not only at the Archive and Old Town House Museum, but also at rotating exhibits maintained in Dorcas Library.

This year the Society took on a new responsibility for the town by funding and administering the regular awarding of the Boston Post Cane to our oldest long-time resident. A plaque and case have been installed in the Town Office to display the original gold-headed cane, and a new replica cane has been permanently awarded to this year's recipient Morna Briggs, age 95, of Corea. Along with this award the Society is launching an effort to interview older residents and retrieve our oral history, starting in Corea. And now as GHS assumes a role in honoring the town's forebears at rest in our cemeteries, it has systematically located, described, and this year is reporting on the maintenance condition of our 40-odd graveyards. These activities extend the Society's overall role to reach the public with the story of our town heritage. This last year's efforts included the interpretive sign with GHS photos and captions at the new Town Park, and an educational exhibit at SERC, as well as annual historical newsletters and calendars, and regular GHS programs on topics such as the 200-year story of our village and town schools. Outreach to the public is also part of why the Society does some fundraising at public events, and especially with its old-time bean suppers and desserts in the GHS headquarters hall, with that offering now extended to four suppers over the summer season.

Sustaining the two historic buildings at Gouldsboro's town hall locations can be a time-consuming and expensive process. GHS has been fortunate and thankful in 2018 to again have the Town's help in repairing serious leaks in the Old Town House through funding a new roof. Such emergencies are best avoided with regular maintenance in both of the historic GHS buildings. For this reason the Society is most grateful for the Warrant request that has been included annually in the town's budget to cover projected operating and building repair expenses at GHS for the upcoming year. The GHS could not operate without it.

Anyone interested in keeping up with the various activities of the Society or reaching us with an inquiry can find us through our website at gouldsborohistory.org.

Respectfully submitted,

Brad Vassey
Vice President

- Great Programming for Young People! 12-15 kids visit the library monthly with Peninsula Afterschool Program; Peninsula Summer School students visit in July; 8-day STEAM Camp in July; STEAM Afterschool Thursdays; Stories on the Lawn with Liz [JUL-SEP]
- Tutoring for young people available by appointment
- 3 Little Free Library locations: Eleanor Widener Dixon Memorial Clinic; Prospect Harbor Women's Club Children's Area; Dorcas Library Entrance

The Dorcas Learning Center building (27 Main Street) was purchased in July 2018. An anonymous benefactor invested in the project, and interest being repaid to that private lender is being held in an account for future children's programs. The Dorcas Learning Center will provide opportunities to learn and practice emerging computer technologies, robotics, and coding; traditional crafting skills such as music, sewing or cooking; converting film and/or tape recordings to digital formats; gaming and game design; virtual reality experiences; collaborative learning experiences; and business training.

Using a grant received from the Maine Community Foundation in 2018, we are working in partnership with the Schoodic Chamber of Commerce, our Community Partners, RSU 24 Adult Education, and the Maine Department of Labor to develop on-going support for regional entrepreneurs: brainstorming new business ideas and developing business plans; and learning about budgeting, financial and strategic planning, market strategy, collaborative technologies, and sustainable development.

# ACADIAN COMMUNITY WOMAN'S CLUB

The Acadian Community Woman's club compromises approximately thirty women from Winter Harbor and Gouldsboro. We welcome women of all ages and have built a strong, competent, enthusiastic, generous and ambitious organization. We continue efforts to support a robust Community Aid fund helping local residents who need financial support in one way or another. One major fundraiser for community aid is our annual chili supper, always the first Thursday of December at the Masonic Lodge in Winter Harbor. In addition to the chili supper we host two bake sales selling whole cakes and pies! These are on the first Saturday in July and again on the first Saturday in August. They are always at 8am and end when we are sold out, usually before 10! We also encourage folks to give us their returnable cans and bottles so we can redeem them; each year this earns our club nearly \$300. Of course anyone can donate to this cause at any time!

Last year we helped twelve local children to summer camp!! Funds raised also support our college scholarships and we are excited to announce that in 2019 we will award two \$1000.00 scholarships to anyone from Winter Harbor or Gouldsboro attending a four year college, community college, or trade school. Applications can be found in the guidance office at Sumner High School.

In addition to the biggies above we also maintain the flower planters by the Post Office in Winter Harbor as well as the Ann Joy Memorial Garden on Harbor Road in Winter Harbor, and we contributed to the granite planter surrounding the sign at the Peninsula School. We organize and host the annual Memorial Day observance in Winter Harbor. Each year we support one Sumner sophomore who is selected to attend the Maine Youth Leadership Conference in Portland. In recent years we have also sent donations to the Emmaus Shelter, Good Shepherd Food Pantry, and Beth Wright Cancer Resource Center. We continue to seek new ideas and projects and we invite you to join us in our efforts. This is truly a remarkable group of women; we are doing our part and we appreciate your help!

Respectfully Submitted,

- -Megan Alley Moshier, Co President
- -Sarah Alley Christensen, Co President

# SUMNER MEMORIAL HIGH SCHOOL

2456 US Highway 1 Sullivan, ME 04664 --- Ph. (207) 422-3510 Fax (207) 422-6463

Sumner Memorial High School is a hive of activity this time of year! Nearly midway through the 2018-2019 school year with athletic contests, drama and show choir competitions, and the constant threat of weather interruptions and delays, we are always on our toes! Students and staff are continuing to engage in meaningful and complex learning opportunities that will help set a course for the future success of our students. We are continuing to refine our systems and operations under our Proficiency Based Education system. Namely, we have renewed our efforts and focus upon creating sound assessments that will help our students measure their learning and acquisition of skills. Sumner staff members have been meeting frequently to discuss best practice in assessments and learning to utilize within the classroom setting. Sumner student-athletes enjoyed a successful Fall Athletic Season and current student-athletes are working hard during this current season. As a staff we continue to look forward to the new building project. We are working to develop thoughtful analyses of our current programming options, industry-workforce needs, college/university requirements, and the desires of our students and community. We appreciate your continued support of Sumner. Go Tigers!

SALLY LEIGHTON PRINCIPAL

# **PENINSULA SCHOOL**

TRACIE SAMIYA ADMINISTRATIVE ASSISTANT

# PO BOX 230 PROSPECT HARBOR, ME 04669

Phone: 963-2003 Fax: 963-2276

Dear Citizens,

I am pleased to have this opportunity to share with you some of the activities, accomplishments, and projects this year at your Peninsula School.

We are in our fifth year of the implementation of Proficiency Based Education. This process has been slow because we implemented a grade span at a time, making sure we made changes thoughtfully and carefully. It has been gratifying to see our students make good progress in meeting standards and handling the changes in our approach very well. This shift in our instruction allows many and varied opportunities for thoroughly learning the material before advancing to another level. We are pleased with the support from parents and welcome any questions you may have.

We have many activities that we do annually which our students very much enjoy and I may have listed them before in other newsletters but they are worth repeating:

Each fall, our 7th graders spend 3 days and 2 nights at SERC studying science and participating in a number of projects.

Sarah Norwood, middle level Social Studies teacher, plans a very successful Take a Vet to School Day around Veteran's Day and this year was no exception. We are grateful to our local Veterans who continue to give to the community by joining us that day.

We have completed our annual National Geographic geography bee and Teddy Dickson-Smith was our school winner. He will be competing at the state level on March 29. We have completed our school wide spelling bee and our school reps to the regional competition were Alec Waxer and Ada Fisher, with Serenity White the Alternate. Alec came in 3rd for the county.

Students have begun working on their speeches and our school-wide contest will be April 11.

Our Show Choir recently competed in District 6 at Ellsworth High school. They received a 1 rating which was awesome! They will be going on to the State Festival on March 29.

We have a large number of students who participate in sports and do very well:

Cross Country coached by Tim Fisher and had 27 students.

Soccer was coached by Glen Moshier. We enjoyed using our new solar powered scoreboard provided by our PTC.

Boys' Basketball was coached by Phillip Torrey and they had a great season with only one loss.

Girls' basketball was coached by Jeff Young and they worked hard all year with noticeable improvement.

Cheering this year was coached by Kayla Geel and their routine was awesome!

Straight ahead is Baseball and Softball if the snow ever leaves!!!

Coming up we have an assembly provided to us by our PTC that will feature Chinese Acrobats. I know our students will love this.

Middle level students will be having PI day (with real pies!), and another math day in June.

We will soon be in the midst of the state mandated MEA testing which involves grades 3-8. This will be completed by April 12.

In closing, I would like to express my deep appreciation for all of the support, generosity and interest in our wonderful school. You do so much for us and it is very much appreciated by students and staff. We encourage you to join us in all of our activities.

Sincerely,

Sally Leighton Principal

Greetings from Regional School Unit #24. It is my privilege to submit this school system update for your annual report. We have been extremely busy in our RSU schools and continue to work very hard to meet the needs of our students.

RSU 24 serves children in nine Hancock County and Washington County communities. The district provides the educational services for five schools and 979 students including general administration, centralized business services, food service, transportation, technology support and integration, and special education programming. RSU 24 employs 229 local citizens in a full range of professional and support positions. Funding for the district comes from several sources. State

funding, determined by the Essential Programs and Services formula, bases state aid on local property valuations and the number of resident students. RSU 24 received \$2,486,779 in state funding for the present fiscal year accounting for 15.0% of our \$16,586,096 budget. Based on the number of students

from Gouldsboro and your property valuations, your town contributed 22.0% toward the local cost of education. In addition to these sources, the district receives federal funding

for several categories of services and also takes every opportunity to apply for grant funding to supplement educational programming.

Regional School Unit No. 24 provides for the education of 183 students who reside in Gouldsboro. Forty-four secondary students attend Sumner Memorial High School. One of these secondary students also attend Hancock County Technical Center for part of each day. Peninsula School enrolls 125 Gouldsboro students in grades pre-kindergarten through eight. Eleven students at the elementary level attend other RSU 24 schools and three Gouldsboro students attend schools in other districts.

Sumner Memorial High School students and staff are continuing to engage in meaningful and complex learning opportunities that will help set a course for the future success of our students. We are continuing to refine our systems and operations under our proficiency-based education system. We have renewed our efforts and focus upon creating sound assessments that will help our students measure their learning and acquisition of skills. Sumner

student-athletes enjoyed a successful winter athletic season. We are working to develop thoughtful analysis of our current programming options, industry-workforce needs, college/university requirements, and the desires of our students and community. All grades at Peninsula have implemented Proficiency Based and this is our fifth year.

Regional School Unit 24

We have made this transition slowly and thoughtfully, a grade span at a time. It has been gratifying to see our students make good progress in meeting standards and handling the changes in our instruction very well. This shift in our approach allows many and varied opportunities for thoroughly learning the material before advancing to another level. Our parents continue to be supportive and a vital part of our school community. I would be remiss if I didn't inform

the Gouldsboro community that the Peninsula Principal, Mrs. Leighton, will be retiring at the end of this year. We are working hard to get a replacement selected as soon as possible. I am extremely thankful to Mrs. Leighton for her many years of service to our Peninsula students and wish her well in her retirement.

I feel blessed that RSU 24 has the continued support of our towns. Your town's understanding of how important education is to our students is very much appreciated. Please know that we work hard to provide a quality education that respects the hard-earned money of our community members. If you have any questions or comments regarding RSU 24, please don't hesitate to contact my office at 422-2017.

-Michael Eastman, Superintendent, RSU #24

# SCHOODIC NATIONAL SCENIC BYWAY

The Corridor Management Committee of the Schoodic National Scenic Byway is happy to report on our progress in 2018 and plans for 2019.

# **VICTOR FACILITIES & INFORMATION**

The Town of Winter Harbor has a new Bike-Ped Club. The Club has beautifully designed with a shelter, bike rack, and interpretive panel of the Byway information. The Granite was donated by Maine DOT. The Maine Bike Coalition gave a grant for a bike repair station to be used at this site anyone that can use if they need to tune up their bike this summer.

The Town of Gouldsboro, with Byway Committee help, completed work at the Gouldsboro Town Park. Stone benches and granite blocks and pavers donated by Maine DOT were set around the recently complete shelter. Some landscape plantings, the park sign and a town history interpretive panel were also installed by Maine DOT.

The committee completed a full new update of the SchoodicByway.org website.

The committee conducted the first ever annual Kid Quest open house which attracted over 250 youths, and their families from the region, state, and across the nation. With much success, we plan to do it again this summer, June 22, 2019. 10 – 2PM; all are welcome to come and participate.

## PLANNING FOR FUTURE IMPROVEMENTS AND PROJECTS

The committee continues to reach out to the region's schools in providing field trips to byway sites to learn about history, natural resources, granite mining, and fisheries. Bus trips were paid by a grant from Maine Community Funds and sponsored by Friends of Taunton Bay. We hope to use the new Kid Quest Booklet in junction with these field trips.

The committee has completed a rough design of the educational Kid Quest booklet. We are now waiting on funding for the project.

# **FUNDING OF PROJECTS**

The grant for technical assistance from the National Park Services, Rivers, Trails and Conservation program has come to an end. Thanks to Julie Isbill for her contributions to the Schoodic Outdoors brochure, new website and Kid Quest booklet.

The Onion Foundation just awarded a \$2250 grant for partial Kid Quest design, sponsored by Frenchman Bay Conservancy.

Further reductions in National and State funds for Byway programs place greater importance on municipal and other contributions to continue improvements alone the Byway.

We thank those municipalities who have contributed to the Byway and hope that you will again support us to enhance school outreach, match state and federal grants.

We thank the Select Boards, Planning Boards, State, Federal and Foundation grants, Historic societies, Chambers of Commerce, Maine Coast Heritage Trust, Friends of Taunton Bay, Frenchman Bay Conservancy, and other organizations for their support. We thank the Hancock County Planning Commission, Downeast Washington County Council of Government, Maine Department of Transportation, and Acadia National Park for their technical and financial support.

The Schoodic National Scenic Byway Corridor Committee is a collaboration of Hancock, Sullivan, Sorrento, Gouldsboro, Winter Harbor, and Acadia National Park to protect and promote this scenic corridor. Area residents are always welcome to attend Byway meetings.

Respectfully submitted,

Barbara Shanahan Chairperson

Congress created the Acadia National Park Advisory Commission in 1986 to consult with the National Park Service on matters related to management and development of the park. Commission members serve on a voluntary basis and are appointed by the Secretary of the Interior. As Gouldsboro's representative on the Commission, my focus for this report is primarily on the Schoodic District.

In 2018, Schoodic visitation was down 1.4% from the previous year. RV camping at Schoodic grew 6.4%, but tent camping dropped 2.1%. That said, 2018 overall Park visitation reached a record 3.54 million visits, which further substantiated the need for a transportation plan to address adverse impacts from overcrowding, supporting a positive and safe visitor experience. Alternatives included visitor management strategies, enhancements to alternative transportation services, vehicle size restrictions, and expanded parking possibilities. Many options were available for the public to access information on the proposed plan and Park staff proactively traveled to engage with communities such as Winter Harbor and Gouldsboro to seek feedback in addition to the formal public comment period. The Park Service released the Final Transportation Plan and Environmental Impact Study (EIS) on March 25th for a mandatory 30-day waiting period, concluding with the issuance of a record of decision. The selected action is the preferred alternative (C) presented in the draft for public review last November. Schoodic Peninsula will continue to be managed as outlined in the 2006 Schoodic general management plan amendment. A copy of the Transportation Plan will be made available at the town office for review and information on the Parks Transportation Plan can also be obtained at the Park website: http://parkplanning.nps.gov/ACADTransportationPlan

The 35-day partial shutdown of the federal government this winter had far reaching impacts on Park operations and initiatives. The hiring process for permanent and seasonal staff abruptly halted during what is typically the busiest time to prepare for summer. The acquisition process to establish contracts for critical infrastructure projects in time for the construction season also paused. Regular maintenance of buildings and utilities was deferred with only emergency repairs accomplished. And advancement of the Transportation Plan was delayed. As the Park approaches peak tourist season, staff continues to regain lost momentum.

The Acadia Boundary Act, as part of the omnibus public lands bill, was overwhelmingly passed by Congress and signed into law by the President in March, thanks to the hard work by our Congressional delegation. Among the bill's provisions are the clarifications of boundary issues affecting both Acadia National Park and communities, the proper transfer of the donation of 1,441 -

acres, including the Schoodic Woods Campground, into the Park's border, and the protection of traditional harvesting, such as clams and worms, within the intertidal zone. The legislation also made authorization of the Acadia National Park Advisory Commission permanent.

Acadia National Park Schoodic Division Park Ranger Chris Wiebusch

Last fall, the Park Service established a formal agreement with Schoodic Peninsula law enforcement and fire protection. The agreement establishes the ability for either Park or municipal officials to request or provide backup assistance on the Peninsula in another opportunity to strengthen the relationship between Acadia National Park and neighboring communities. Park Ranger Chris Wiebusch will be a steady presence in the Park this season, bringing years of experience in both law enforcement and working in Acadia.

On the facilities side at Schoodic, the Park is replacing the power line from the bridge approaching Frazier Point to the Schoodic Institute, the first significant upgrade since the 1980's. Minor tree clearing should complete in the spring and to minimize environmental impacts; replacement of poles and wire may not be accomplished before winter 2019/20. The Frazier Point dock will be replaced in kind this summer accomplished by Park Service personnel from the Historic Preservation Training Center (HTPC.) HTPC will also work on the front entrance to the Rockefeller building, primarily repointing masonry. A study and possible design will be initiated for conversion of unused portions of an existing building to accommodate a fitness center. Engineering work will be contracted this coming year to design corrective structural measures for the water tower. The execution of these repairs, including repainting the tower, is planned for 2020.

Our town office staff continues to support the Park's efforts to provide discounted park passes to local citizens by having them available in December. What a great holiday or birthday gift to yourself or others!

I look forward to continuing to serve as our town's representative on the Advisory Commission, providing updates to the Town Manager and Board of Selectmen, and to ensure our community's interests are heard, particularly here in the Schoodic District.

Sincerely,

Jackie Johnston

-Chair, Acadia National Park Advisory Commission

# 2018 DONORS TO SCHOODIC COMMUNITY FUND

The mission of the Schoodic Community Fund is to improve the quality of life for all residents of the Schoodic Peninsula by awarding grants to area non-profits, schools, and municipalities. In 2018 a total of \$57,485 was awarded to grant recipients including Hardy's Friends, the Winter Harbor Library, Dorcas Library, the West Gouldsboro Village Improvement Association, Peninsula School, Sumner High School, Life Line Food Pantry, the Gouldsboro Veteran's Committee, the Schoodic Institute at Acadia National Park, and the Winter Harbor Historical Society.

The Schoodic Community Fund Board members are Mike H. Summerer MD (Chair), Megan Moshier (Vice Chair), Andrew Somes (Treasurer), Vicki Rea, Lucille Anderson, Frank Chudnow, Dolora Conley, Edith Dixon, Mary Dyer, Rick Hauck, Howard Howard, Eric Lister, Roberta Parritt, Paul Tracy, and Joe Young. In 2018 the following individuals donated a total of \$102,489 to the fund, for which the board and the Schoodic Community are grateful:

# Schoodic Institute at Acadia National Park

PO Box 277 • Winter Harbor, ME. 04693 207.288.1310

Schoodic Institute at Acadia National Park's mission is to pursue collaborative solutions to critical environmental challenges through discovery and learning.

Schoodic Institute at Acadia National Park supports science and environmental stewardship initiatives throughout the region. Schoodic Institute is a primary partner of Acadia National Park. The Winter Harbor campus is the largest of 18 National Park Service Research Learning Centers in the United States. Schoodic Institute and Acadia National Park are national leaders in the development of new ways to involve the public in science and conservation.

Schoodic Institute supports scientific research, provides professional development for teachers, and helps train a new generation of stewards who will help conserve our natural and cultural heritage. Education includes public programs and events, and information sharing. Research focuses on understanding environmental change, and human response to change. For example, the Marine Ecology Program is studying the effect of rockweed harvesting on intertidal ecosystems, the Forest Ecology Program is trying to understand what the region's forests will look like in the future, and the Bird Ecology Program monitors millions of birds that migrate through Acadia.

In 2018 Sumner Memorial High School students conducted research on seeding clam flats, in collaboration with the Gouldsboro Shellfish Committee. The students received support from Mike Pinkham, Gouldsboro's clam warden, Bill Zoellick, Schoodic Institute's Education Research Director, and Kyle Pepperman, field scientist at the Downeast Institute. They gathered and analyzed experimental data that the shellfish committee will use to make decisions.

Schoodic Institute is also studying phenology, the timing of plant and animal life cycle events. In 2018 Schoodic Institute, with Acadia National Park, Blue Hill Heritage Trust, Downeast Lakes Land Trust, Fields Pond Audubon Center, Frenchman Bay Conservancy, Island Heritage Trust, and Petit Manan National Wildlife Refuge, established the Downeast Phenology Trail. Observations are now taken with the help of volunteers throughout the network, and visitors participating in citizen science programs. This project helps to answer the question of whether the changing climate creates a mismatch between fall migrating birds and their food sources.

Our work is made possible by many partners and supporters, and we encourage public engagement and feedback. To learn more about research or community citizen science programs please visit our website at **www.SchoodicInstitute.org**. You can subscribe to our email newsletter for event updates and news, and connect with us on Facebook, Instagram and Twitter. *Thank you for your support!* 

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

PAUL R. LEPAGE
GOVERNOR

Dear Citizens of Maine:

For the past eight years as your Governor, my priority has been to make Maine prosperous. I am proud to say that my administration has had some success, but there is more that can be done.

Mainers experienced strong, record-setting economic growth in 2018, setting so many new records: a record-high number of employers; a record-high number of private-sector jobs; record-high revenues for the state; record-low unemployment; and the fastest net-earnings growth in New England. Our poverty rate declined to the lowest since 2005 with the fewest number of children in poverty in 17 years. Maine's future is the brightest it has been in decades: there's more new businesses, more money in your paycheck, and better opportunities for our children. And that's what it's all about: the future of our state.

We have brought stability to state finances and implemented pro-business, pro-growth policies across state government. The incoming administration is taking on a state government that is vastly improved—both structurally and financially—from the one I inherited. Therefore, I have suggested to the new administration that now is the time to cut taxes by an additional 20 percent.

My administration lowered taxes by 20 percent for more than half-a-million Mainers. Cutting taxes for our families has proven to be an excellent policy decision. Despite this cut, we are seeing higher revenue in almost every tax category—sales and use tax, individual income tax, and corporate income tax. We must always remember that the revenue we receive in taxes is due to the hard work of Maine's people. Democrats stated they want to use surplus money to fully fund revenue sharing at 5 percent, rather than the 2 percent the towns have received for the past 6 years. However, there is no guarantee your local government will cut your property taxes by one penny—never mind dollar-for-dollar—if revenue sharing is increased.

The people of Maine and the municipal balance sheets would be better off if the state cut income taxes and allowed municipalities to collect property taxes or service fees from non-profits to supplement the local property taxes. Everyone should contribute to the operation of local community governments.

I encourage you to pay attention to what happens in your municipality and in Augusta. So many good people have worked much too hard to achieve our current prosperity. We must avoid letting politicians drive Maine's finances and its economy back into the ground. I promise you that I will be watching.

Sincerely,

Paul R. LePage Governor

# STATE OF MAINE OFFICE OF THE GOVERNOR 1 STATE HOUSE STATION AUGUSTA, MAINE 04333-0001

### Dear Friends:

It was the highest honor of my life to take the oath of office to become Maine's 75th governor. Over the next four years, I will do everything in my power to make Maine the safe, beautiful, prosperous state we all want for our children and grandchildren.

That is why on my first day in office I directed the Maine Department of Health and Human Services to implement Medicaid expansion as quickly and efficiently as possible. My Administration will ensure that it is paid for sustainably; that the cost of health insurance is controlled; and that the cost of prescription drugs is reined in. In addition to creating a Director of Opiate Response to marshal the collective power and resources of state government to stem the tide of the opioid epidemic, we will make Narcan widely available, increase access to medication assisted treatment and recovery coaches, and expand drug courts.

We also need a healthy environment. My Administration will embrace clean energy; change our modes of transportation; weatherize homes and businesses; and reach a goal of 50 percent of our energy coming from Maine renewable resources. By reducing the impacts of climate change, we will create good-paying jobs, preserve our environment, and protect our state's farming, fishing, and forestry industries.

We will also develop a world-class workforce starting with Pre-K for every 4-year-old in Maine and more post-high school options that result in a valued credential. Attracting talented young people to move here and make Maine their home will be top priorities of my Administration.

Maine communities, especially rural communities, are confronting a severe workforce shortage and an aging and declining population. It is time for bold, dynamic ideas that will change Maine for the better. That is why I, along with people ranging from small business owners, innovators and entrepreneurs, to economists and every day, hard-working Mainers, developed an economic plan designed to make it easier for small businesses to grow, for people to come and stay, and for Maine to thrive.

I welcome your ideas. We are all in this together. We all want Maine to have a beautiful environment, happy people, and prosperous communities

Thank you,

Janet T. Mills Governor

WASHINGTON, DC 20510 January 3, 2019 COMMITTEES:
ARMED SERVICES
BUDGET
ENERGY AND
NATURAL RESOURCES
INTELLIGENCE
RULES AND ADMINISTRATION

Dear Friends,

As I travel Maine, I hear from people who live in every corner of our state. I hear about their achievements, their successes, their work to improve their communities – I hear about the hope they have for our state. I also hear about our challenges, and all the work we have left to do. As I see it, that's my job: to listen to you, act where I can to build on what's good, and work on the tough parts. As 2018 comes to a close, I wanted to take a moment to share an update on some of the work we're doing in Washington to lift up the accomplishments of Maine people and make progress on the challenges they face.

From Portland to Presque Isle, from Milo to Camden, I hear about the pain that the opioid epidemic is inflicting on Maine communities. I've met with Maine people in recovery, family members of those struggling with substance use disorders, treatment providers, and law enforcement officials to learn about their experiences with this terrible disease, and everyone agrees that in order to fully respond to these problems, we need a stronger federal effort to end the opioid epidemic. Fortunately, some help is on the way – in October, we overwhelmingly passed a sweeping, bipartisan opioids bill. I've pushed hard for this type of legislation and was proud to have provisions I've advocated for included in the bill. These priorities have been guided by the voices of Maine people, and we'll keep working to confront this tragic problem.

I've also worked to strengthen the future of our forest economy. Maine's forests have powered our state's economy for generations, especially in our rural communities. So, when rapid shifts in the market led to the closure of many pulp and paper mills and biomass power plants, it required a collaborative approach to support future growth in this important industry. That's why, together with the other members of the state's Congressional delegation, I pushed to establish the Economic Development Assessment Team (EDAT). This integrated, multiagency effort aims to foster innovation and commercialization in Maine's forest economy, and we're already seeing the benefits: in recent months, several forest industry businesses have announced significant investments into Maine operations, and in September 2018, the Forest Opportunity Roadmap (FOR)/Maine released an action plan to make sure this industry, and the rural communities it supports, can continue to thrive for generations to come.

As I close this letter, please allow me to express my gratitude to each of you – for your dedication to our state, and to one another. It's often said that Maine is like a big small town (with very long streets)—that's because at our heart, we're one big community. It's not only a pleasure to serve you—it's a pleasure to know you. Thank you for being the reason Maine is so special. Mary and I hope that 2019 will be a good year for you, your family, your community, and our great State.

Angus S. King

Best.

United States Senator

### Dear Friends,

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our state have placed in me and welcome this opportunity to share some key accomplishments from this past year.

As Chairman of the Senate Aging Committee, I worked to help ensure the well-being of our seniors. The *Senior\$afe Act* I authored became law last year and is empowering banks, credit unions, and other financial institutions to better protect seniors from financial fraud.

Following extensive committee investigations of prescription drug pricing, additional legislation I crafted became law, ending the egregious practice of pharmacy "gag clauses" that prevented pharmacists from informing patients on how to pay the lowest possible price.

This year, I was also successful in securing an extra \$425 million for Alzheimer's research—the largest funding increase ever—bringing the total to \$2.34 billion. Additionally, the bipartisan *BOLD Act* I authored will create public health infrastructure to combat Alzheimer's by promoting education, early diagnosis, and improved care management.

More than 40 million Americans—including 178,000 Mainers—are caregivers for parents, spouses, children, and other loved ones with disabilities or illnesses, such as Alzheimer's. The *RAISE Family Caregivers Act* I authored was signed into law last year, giving caregivers more resources and training to better balance the full-time job of caregiving. Another law I wrote will help grandparents who are raising grandchildren, largely due to the opioid addiction crisis.

In addition to helping seniors, a major accomplishment over the past year is the increased federal investment in biomedical research that is leading to progress in the fight against numerous devastating diseases. Congress has boosted funding for the National Institutes of Health by \$7 billion in just the last three years, bringing total funding to more than \$39 billion.

One of my highest priorities as Chairman of the Transportation Appropriations Subcommittee is to improve our nation's crumbling infrastructure and ensure that Maine's needs are addressed. Since the Better Utilizing Investments to Leverage Development (BUILD) Transportation Grants program, formerly known as TIGER, was established in 2009, I have secured \$160 million for vital transportation projects throughout Maine.

Congress also delivered a Farm Bill last year, which includes many important provisions that will help the agriculture industry in Maine and across the country. Specifically, I secured provisions that will strengthen support for young farmers, improve local farm-to-market efforts, and increase funding for organic research.

Congress took decisive action to address the opioid addiction epidemic. In addition to appropriating \$8.5 billion in federal funding last year, Congress enacted the *SUPPORT for Patients and Communities Act*, a comprehensive package that embraces the multipronged approach I have long advocated for this epidemic: prevention, treatment, recovery, and enforcement to stop drug trafficking.

Maine plays a key role in ensuring a strong national defense. In 2018, Congress provided funding for five ships to be built at Bath Iron Works, which will help to keep our nation safe and provide our skilled shipbuilders a steady job. I also secured more than \$162 million for infrastructure projects at Portsmouth Naval Shipyard to support their important work to overhaul Navy submarines.

A Maine value that always guides me is our unsurpassed work ethic. In December 2018, I cast my 6,834<sup>th</sup> consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Maine in the United States Senate. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2019 be a good year for you, your family, your community, and our state.

Sincerely.

Susan M. Collins United States Senator

Lusan M Collins

Senator Marianne Moore 3 State House Station Augusta, ME 04333-0003 (207) 287-1505 Marianne.Moore@legislature.maine.gov

Health & Human Services Committee
Ranking Member

Dear Friends and Neighbors:

First, let me thank you for electing me to represent you in Augusta, I am honored to get to serve you in the Maine Senate. I am eager to get to work so that Maine becomes an even better place to live, work and raise a family.

The 129<sup>th</sup> Legislature has many issues before it including funding our schools, providing property tax relief, tackling the opioid epidemic, and ensuring affordable access to healthcare regardless of where you live. I hope that others are just as willing as I am to get to work, collaborate, and find solutions for the Maine people.

Ensuring that our schools are funded adequately will be a top priority of mine. Many schools in Washington and Hancock Counties are struggling to provide the supplies necessary for our students to succeed. Countless hardworking and dedicated teachers are using their own money to make sure their students have basic school supplies. The lack of adequate funding also puts a burden on property tax payers, many who can't afford an increase. I will do everything I can to make sure the State picks up their share of education costs, and that revenue sharing is restored to 5%.

Continuing to fight against the heartbreaking opioid crisis is also imperative. Too many Maine families have been suffering because of addiction. I believe we must combat this by educating our young people regarding the dangers of substance abuse, ensuring our law enforcement officers have the tools they need to stop those trafficking illegal substances, and finally, providing treatment to those that are ready to seek it. Addiction does not discriminate. Folks from every corner of our great state have struggled with it, and we must use every tool in the toolbox to put an end to this health crisis.

Finally, addressing the lack of access to healthcare will be another focus of mine. Folks in Downeast Maine know better than anyone how difficult it can be to find a dentist, eye doctor or physician. Nobody should have to travel over an hour to seek medical treatment. I will work to find ways to increase the number of healthcare professionals here in Maine.

Thank you again for trusting me to represent you in Augusta. I hope the Legislature can come together to tackle the hard issues facing our state, and I am ready to help. Please feel free to contact me at 287-1505 or <a href="Marianne.Moore@legislature.maine.gov">Marianne.Moore@legislature.maine.gov</a> if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

Marianne Moore State Senator, District 6

January 2019

Dear Friends and Neighbors,

I would like to thank the coastal towns of District 136, from Hancock to Steuben for electing me as your State Representative. It is an incredible honor and privilege to represent you in The House of Representatives during the 129<sup>th</sup> Maine Legislature.

For the next two years I will be serving on the Joint Standing Committee on Marine Resources as the House Republican Lead. On this panel, we will discuss many issues in regards to marine fisheries management. These matters are crucial to our community and I hope to hear from the fishermen in our community to discuss ways to improve the industry.

In order for me to represent you in the best ways possible, I need to hear your thoughts on all the issues that are important to you. Please, don't hesitate to call me anytime you feel you need my assistance. I may not know all the answers, but I will do my best to help you discover a solution to the problem. Moreover, I encourage you to monitor all legislative proposals being worked on at the State House by visiting the Legislature's website at <a href="www.legislature.maine.gov">www.legislature.maine.gov</a>. From here you can browse bill summaries and roll call votes, view session and public hearing schedules, listen to committee hearings or watch live streaming video of the House and Senate.

Once again, thank you for the opportunity to represent you, the people of District 136. Please call me anytime at phone at **460-6967**or email at <u>William.Faulkingham@legislature.maine.gov</u> to keep me updated on those concerns. If you would like to be added to my email update list, you can do so by emailing me directly with your request.

Sincerely,
William of Jawleyhour

My team and I are here to serve you, so please come meet my staff, voice an opinion, inform us of local events, or seek assistance with federal benefits. I come home to Maine every weekend to hear from you and see what's happening in our communities. I appreciate you keeping us informed.

This year, I was proud to be appointed to the House Armed Services and Small Business Committees. On Armed Services, I'm using my experience serving in Iraq and Afghanistan to make sure our servicemembers have the resources and training they need to succeed and keep us safe. Within Armed Services, I was assigned to the Seapower Subcommittee, where I am fighting for our shipyard jobs and making sure our military can count on Bath-built ships for generations to come. Beyond Bath, I will advocate for the entire network of good Maine jobs that support our troops, equipping them to carry out their duties reliably and safely.

Maine would just not be the same without our small, family-owned businesses. On the Small Business Committee, I am working to ensure our small businesses have the tools to grow, look out for their workers, and provide more good jobs to people all over Maine. Within the Small Business Committee, I was honored to be appointed Chairman of the Subcommittee on Contracting and Infrastructure. With this position, I am highlighting the need for infrastructure investment and fighting to level the playing field when small businesses compete for federal contracts.

One thing I love about Maine is that we help each other out. Whether it's ensuring a job well done or lending a hand to a neighbor, I know you are strengthening our communities every day. I am proud to serve alongside you and look forward to all that we will accomplish together.

My wife Isobel and I wish you and your family happiness, health, and success in the year to come.

Sincerely,

Jared Golden

Member of Congress

Golden

# Proven Expertise and Integrity

# INDEPENDENT AUDITORS' REPORT

Board of Selectmen Town of Gouldsboro Gouldsboro, Maine

# Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Gouldsboro, Maine, as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

# Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly,

we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

# **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Gouldsboro, Maine as of June 30, 2018, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

# **Other Matters**

# Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information and OPEB information on pages 4 through 10 and 48 through 52 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

# Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Gouldsboro, Maine's basic financial statements. The Schedule of Departmental Operations - General Fund, combining and individual nonmajor fund financial statements and capital asset schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Schedule of Departmental Operations - General Fund, combining and individual nonmajor fund financial statements and capital asset schedules are the responsibility of management and were derived from and related directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Departmental Operations - General Fund, combining and individual nonmajor fund financial statements and capital asset schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

# Other Reporting Required by Government Auditing Standards

RHR Smith & Company

In accordance with *Government Auditing Standards*, we have also issued our report dated April 8, 2019, on our consideration of the Town of Gouldsboro, Maine's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town of Gouldsboro, Maine's internal control over financial reporting and compliance.

Buxton, Maine April 8, 2019

# REQUIRED SUPPLEMENTARY INFORMATION MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2018

# (UNAUDITED)

The following management's discussion and analysis of the Town of Gouldsboro, Maine's financial performance provides an overview of the Town's financial activities for the fiscal year ended June 30, 2018. Please read it in conjunction with the Town's financial statements.

## **Financial Statement Overview**

The Town of Gouldsboro's basic financial statements include the following components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also includes required supplementary information which consists of the general fund budgetary comparison schedule, OPEB information and other supplementary information which includes combining and other schedules.

# **Basic Financial Statements**

The basic financial statements include financial information in two differing views: the government-wide financial statements and the fund financial statements. These basic financial statements also include the notes to financial statements that explain in more detail certain information in the financial statements and also provide the user with the accounting policies used in the preparation of the financial statements.

### **Government-Wide Financial Statements**

The government-wide financial statements provide a broad view of the Town's operations in a manner that is similar to private businesses. These statements provide both short-term as well as long-term information in regards to the Town's financial position. These financial statements are prepared using the accrual basis of accounting. This measurement focus takes into account all revenues and expenses associated with the fiscal year regardless of when cash is received or paid. The government-wide financial statements include the following two statements:

The Statement of Net Position - this statement presents all of the government's assets, deferred outflows of resources, liabilities and deferred inflows of resources with the difference being reported as net position.

The Statement of Activities - this statement presents information that shows how the government's net position changed during the period. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows.

Both of the above-mentioned financial statements have one column for the Town's type of activity. The type of activity presented for the Town of Gouldsboro is:

 Governmental activities - The activities in this section are mostly supported by taxes and intergovernmental revenues (federal and state grants). All of the Town's basic services are reported in governmental activities, which include general government, services and committees, Town property, public safety, public works, health and sanitation, education and unclassified.

# **Fund Financial Statements**

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town of Gouldsboro, like other local governments uses fund accounting to ensure and demonstrate compliance with financial related legal requirements. All of the funds of the Town of Gouldsboro are categorized as one fund type: governmental funds.

Governmental funds: All of the basic services provided by the Town are financed through governmental funds. Governmental funds are used to account for essentially the same functions reported in governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, the governmental fund financial statements focus on near-term inflows and outflows of spendable resources. They also focus on the balance of spendable resources available at the end of the fiscal year. Such information will be useful in evaluating the government's near-term financing requirements. This approach is known as the current financial resources measurement focus and the modified accrual basis of accounting. Under this approach, revenues are recorded when cash is received or when susceptible to accrual. Expenditures are recorded when liabilities are incurred and due. These statements provide a detailed short-term view of the Town's finances to assist in determining whether there will be adequate financial resources available to meet the current needs of the Town.

Because the focus of governmental funds is narrower than that of government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental funds balance sheet and the governmental funds statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities. These reconciliations are presented on the page immediately following each governmental fund financial statement.

The Town of Gouldsboro presents two columns in the governmental funds balance sheet and the governmental funds statement of revenues, expenditures and changes in fund balances. The Town's major governmental fund is the general fund. All other funds are shown as nonmajor and are combined in the "Other Governmental Funds" column on these statements.

The general fund is the only fund for which the Town legally adopted a budget. The Budgetary Comparison Schedule - Budgetary Basis - Budget and Actual - General Fund provides a comparison of the original and final budget and the actual expenditures for the current year.

# **Notes to the Financial Statements**

The notes provide additional information that is essential to a full understanding of the data provided in the Government-Wide and the Fund Financial Statements. The Notes to Financial Statements can be found following the Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund Balances to the Statement of Activities.

# **Required Supplementary Information**

The basic financial statements are followed by a section of required supplementary information, which includes a schedule of Budgetary Comparison Schedule - Budgetary Basis - Budget and Actual - General Fund, a Schedule of Changes in Net OPEB Liability, a Schedule of Changes in Net OPEB Liability and Related Ratios and a Schedule of Contributions - OPEB.

# Other Supplementary Information

Other supplementary information follows the required supplementary information. These combining and other schedules provide information in regards to nonmajor funds, capital asset activity and other detailed budgetary information for the general fund.

# **Government-Wide Financial Analysis**

Our analysis below focuses on the net position, and changes in net position of the Town's governmental activities. The Town's total net position decreased by \$314,652 from \$3,693,131 to \$3,378,479.

Unrestricted net position - the part of net position that can be used to finance day-to-day operations without constraints established by debt covenants, enabling legislation, or other legal requirements - decreased to a balance of \$1,462,995 at the end of this year.

Change in Net Position	(314,652)	(200,151)
Net Position - July 1, Restated	3,693,131	3,893,282
Net Position - June 30	\$ 3,378,479	\$ 3,693,131

### **Revenues and Expenses**

Revenues for the Town's governmental activities increased by \$89,416, while total expenses increased by \$203,917. The increase in revenues was primarily due to increases in taxes and grants and contributions not restricted to specific programs. The increase in expenses was primarily due to an increase in unclassified.

### Financial Analysis of the Town's Fund Statements

Governmental funds: The financial reporting focus of the Town's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information may be useful in assessing the Town's financial requirements. In particular, unassigned fund balance may serve as a useful measure of a government's financial position at the end of the year, and the net resources available for spending.

Table 3
Town of Gouldsboro, Maine
Fund Balances - Governmental Funds
June 30,

		2018		2017
General Fund:				11
Nonspendable	\$	26,761	\$	11,092
Restricted		59,407		52,402
Assigned		150,000		150,000
Unassigned		722,845		831,154
Total General Fund	\$	959,013	\$	1,044,648
Nonmajor Funds: Special Revenue Funds: Restricted Committed Permanent Funds: Restricted	\$	2,251 402,785 46,453	\$	48,782 369,003 46,453
Assigned		10,090		9,904
Total Nonmajor Funds	<u>\$</u>	<u>461,579</u>	_\$_	474,142

The general fund total fund balance decreased by \$85,635 from the prior fiscal year, primarily due to transfers to other funds. The nonmajor funds total fund balance decreased by \$12,563 from the prior fiscal year, primarily due to activity in the special revenue funds.

### **Budgetary Highlights**

The difference between the original and final budget for the general fund was due to the use of restricted fund balance.

The general fund actual revenues exceeded budgeted revenues by \$27,141, due to all revenue categories being receipted in excess of budgeted amounts with the exception of taxes - property taxes, charges for services, investment income, reimbursements and interest and fees in taxes.

The general fund actual expenditures were under budget by \$52,578, due to all expenditure categories being expended within or under budgeted amounts with the exception of public safety, health and sanitation and unclassified.

### **Capital Asset and Debt Administration**

### Capital Assets

As of June 30, 2018, the net book value of capital assets recorded by the Town decreased by \$246,065 from the prior year. This was due to current year depreciation expense.

Table 4
Town of Gouldsboro, Maine
Capital Assets (Net of Depreciation)
June 30,

	 2018	 2017
Land	\$ 776,529	\$ 776,529
Infrastructure	678,833	834,158
Land improvements	90,812	96,887
Buildings and improvements	267,790	319,848
Machinery and equipment	40,176	51,218
Vehicles	 12,640	34,205
Total	\$ 1,866,780	\$ 2,112,845

### **Currently Known Facts, Decisions, or Conditions**

### Economic Factors and Next Year's Budgets and Rates

The Town has steadily maintained a sufficient unassigned fund balance to sustain government operations for a period of approximately two months, while also maintaining reserve accounts for future capital and program needs.

### Contacting the Town's Financial Management

This financial report is designed to provide our citizens, taxpayers, customers, and investors and creditors with a general overview of the Town's finances and to show the Town's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Town Finance Dept. at P.O. Box 68, Prospect Harbor, ME 04669-0068.

Reconsider	yes	yes	no	yes	no	A, B
Take up Out of Order	yes	yes	no	2/3	no	
Withdraw a Motion	no	no	no	yes	С	

Yes- This action is required or permitted.

No- This action cannot be taken or is unnecessary.

- A- This motion may be made when another motion has the floor.
- B- This motion may only be made by a person who voted on the prevailing side.
- C- A negative vote only on this motion may be reconsidered.
- D- See Priority of Motions:

Priority of motions is a matter of precedence; in other words, what motions may and may not be made when other questions are before the meeting.

### **MAINE MODERATORS RULES OF PROCEDURE**

### (Revised 1980) CONTINUED..

### MAIN MOTION

This is the lowest order of precedence and may not be made when any other question is before the house. It yields to all other motions.

### AMENDMENT

This is technically a subsidiary motion and must be disposed of before the main motion is taken up for voting purposes.

### POSTPONED TO TIME CERTAIN

This motion refers to the subject matter under discussion and not the town meeting itself. It takes precedence over either the main motion or amendment and has the effect of delaying action for a period of time.

### PREVIOUS QUESTION

This is a subsidiary question that has the effect of muting debate. When this motion is made it must be voted upon immediately and it is not subject to debate.

### RECESS

This is a privileged motion that is always in order even when another subject is before the house. If this motion interrupts an item of business, it must be acted upon immediately. On the other hand, if it is to grant time for meals, for counting ballots or for some other purpose, it is just like any other main motion and is debatable under these circumstances.

### MOTION TO ADJOURN

The motion to adjourn is always a privileged motion except when its effect is to permanently dissolve the meeting. Thus, if the motion to adjourn is made before the business of this town meeting has all been transacted and no provision is made for meeting at a later time to finish the business, then this motion loses its priority and becomes debatable. If provision is made to meet at a later time to finish the town meeting business, then the motion retains its privilege and is not debatable and must be voted upon immediately. To prevent the misuse of either one of these motions, the moderator should clearly explain to the voters what the effect of the vote on the motion would be. If the motion to adjourn is made at the end of the transaction of business, it retains its privilege and in its sine die form is not debatable, it is not amendable, and obviously cannot be reconsidered.

# RECORD OF ARTICLES APPROVED TO CONTINUE UNTIL REVOKED

### June 21, 1999- Annual Town Meeting

**ARTICLE 60** – To see if the Town will vote to authorize the Selectmen, on behalf of the Town, to take whatever actions are necessary for the Town to become a member of the Maine Municipal Association Property and Casualty Pool Program, including but not limited to the execution of any contract required for such membership and the payment of any required fees or charges. The authority granted herein shall be continued until revoked.

**ARTICLE 61** – To see if the Town will vote to appropriate all Boat Excise Taxes to the Harbor Reserve Fund and to continue such practice until specifically revoked.

### **June 19, 2000 - Annual Town Meeting**

**ARTICLE 24** – To see if the Town will vote to authorize the Selectmen, on behalf of the Town, to take whatever actions are necessary for the Town to become a member of the Schoodic Area League of Towns (SALT), including but not limited to the execution of a Memorandum of Understanding for such membership and the payment of minor operating costs. The Selectmen recommend a sum no larger than \$100 to be taken from the administration account to cover minor operating costs. The authority granted herein shall be continued until revoked.

**ARTICLE 44** – To see if the Town will authorize the Tax Collector to accept prepayments of taxes and to vote to pay 0% interest on said payments. The authority granted herein shall be continued until revoked.

**ARTICLE 45** – To see if the Town will authorize the Tax Collector to pay interest to any taxpayer who makes an overpayment of taxes, pursuant to 36 M.R.S.A., Section 506-A, at a rate of 8% per annum. The authority granted herein shall be continued until revoked.

**ARTICLE 49** – To see if the Town will vote to authorize the Board of Selectmen to sell Townowned equipment when they determine such property to be of no further value to the Town and to authorize the Board of Selectmen to return the funds to the appropriate municipal department. The authority granted herein shall be continued until revoked.

**ARTICLE 50** – To see if the Town will vote to authorize the Board of Selectmen to accept, on behalf of the Town, unconditional gifts of property and/or donations which they feel are in the Town's best interest to accept. The authority granted herein shall be continued until revoked.

**ARTICLE 51** – To see if the Town will authorize the Board of Selectmen to accept donations of money or private, state or federal grants for the purpose of supplementing a specific appropriation already made in order to reduce the Town's tax assessment or long-term debt. The authority granted herein shall be continued until revoked.

**ARTICLE 52** – To see if the Town will vote to have unexpended balances and overdrafts in all accounts at the end of the fiscal year, except those which remain by law or are deemed necessary by the Board of Selectmen, transferred to Unappropriated Surplus. The authority granted herein shall be continued until revoked.

**ARTICLE 53** – To see if the Town will vote to authorize the Selectmen to accept and expend any miscellaneous revenues received during Fiscal Year 2001 and that such revenues received by each department shall only be expended by that department. The authority granted herein shall be continued until revoked.

### <u>June 12, 2007 - Annual Town Meeting</u>

**ARTICLE 18** – To see if the Town will vote to appropriate all unexpended expense funds at the end of the fiscal year (current and future years) from the Fire Department account to the Fire Equipment Reserve. The authority granted herein shall be continued until revoked.

### June 8, 2010 - Annual Town Meeting

**ARTICLE 17** – To see if the Town will vote to appropriate all fees received by the Constable's Department to the Constable Cruiser Purchase Reserve Fund (current and future years) to be used for purchase and major repair of cruisers.

**ARTICLE 18** – To see if the Town will vote to appropriate all unexpended revenues (current and future years) from the Recreation Committee to the Recreation Committee Reserve.

### **June 14, 2011 - Annual Town Meeting**

**ARTICLE 21** – To see if the Town will vote to appropriate any unexpended funds (current and future years) from the Paving Expense Account to the Paving Reserve.

### June 12, 2012-Annual Town Meeting

**ARTICLE 45** – To see if the Town will allow the Board of Selectmen to authorize the Treasurer to waive automatic lien foreclosures when it is in the best interest of the Town. The authority granted herein shall be continued until revoked.

### June 10, 2014 - Annual Town Meeting

**ARTICLE 23** – To see if the Town will vote to authorize the Board of Selectmen to sell and/or dispose of any property acquired by tax lien after first offering the property to the previous owners for payment of all back taxes, fees and interest, and, if they decline, advertising by sealed bids of the same **or realtor** for permanent disposal, and to allow the Selectmen to authorize the Town Treasurer to execute a municipal quitclaim deed for such property and to dsposit the net proceeds over costs and taxes owed from such sale into the Land Purchase Reserve Account. The authority granted herein shall be continued until revoked.

### <u>Iune 12, 2018 - Annual Town Meeting</u>

**ARTICLE 28** – To see if the Town will vote to allocate all proceeds from the sale of transfer station passes to the transfer station reserve account. The allocation granted herein shall be continued until revoked.

The Board of Selectmen and Budget Committee recommend approval

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$83,315 for the Services and Committees Department of the municipal budget for the period of July 1, 2019 to June 30, 2020.

The Board of Selectmen and Budget Committee recommend approval

**ARTICLE 7.** To see if the Town will vote to raise and appropriate the sum of \$73,355. for the **Town Property Department** of the municipal budget for the period of July 1, 2019 to June 30, 2020.

The Board of Selecimen and Budget Committee recommend approval

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$209,065. for the Public Safety Department- Constable of the municipal budget for the period of July 1, 2019 to June 30, 2020.

The Board of Selectmen and Budget Committee recommend approval

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$119,531 for the Public Safety Department- Fire Department of the municipal budget for the period of July 1, 2019 to June 30, 2020.

The Board of Selectmen and Budget Committee recommend approval

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$121,834 for the Public Safety Department- Ambulance of the municipal budget for the period of July 1, 2019 to June 30, 2020.

The Board of Selectmen and Budget Committee recommend approval

EMS Revenue Projection for FY19/20	
Revenue for 9 months (Sep-May) based on FY18/19 monthly average	\$ 43,322.43
Projected revenue for 3 months @2x usage increase (Jun-Aug)	28,881.62
Estimated revenue for collection of unpaid bills	3,800.19
Winter Harbor Contract	10,000.00
Total Projected Revenue	86,004.24

### Methodology and Assumptions

- The Revenue Projection is based on the actual EMS receivables from September 2018-April 2019, as provided by the EMS' billing service
- The revenues from September 2018-April 2019, taking into account the 6% billing service fee and unpaid bills, averages approximately \$4814 per month
- The Projection assumes that usage will double in the months of June-August based on historical data from our Fire Department/EMS
- The Collections Estimate is based on the unpaid bills from Sep-Feb, which represent about 17% of transports billed out
- The Collections Estimate assumes that 25% of unpaid bills are collectable. The billing service collects a 6% fee from payments received, and the collection agency receives 25-30%

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$650,205 for Public Works Department of the municipal budget for the period of July 1, 2019 to June 30, 2020

The Board of Selectmen and Budget Committee recommend approval
