SELECTMEN/TOWN MANAGER: At our annual town meeting in June, residents voted to become a member town of the YMCA in Ellsworth. This new program enables folks in the community to have free access to the YMCA gym and pool on Saturday and Sunday from 1-5PM. A photo identification is required upon check-in.

At our last meeting we awarded the sand bid to Tracy Brothers Construction from Hancock at $7.99. We solicited bids for 5,000 yards and they ranged from $7.99 - $11 per yard. We also locked in with Acadia Fuel for our winter oil for all town buildings. Their offer was the lowest at $1.93 per gallon. Our community usually uses approximately 4,200 gallons.

Mike Emmons, owner of Peninsula Shores Subdivision off Paul Bunyan Road, is generously going to pay for the installation of the failed culvert on the dirt section of the Grand Marsh Bay Road. Property owners of that area will pay for the culvert itself at a cost of approximately $2,000.

Police Department Update: We are planning to meet with a representative from the Retired Maine State Police Chief’s Association to discuss plans/options/ideas for our current department. The meeting date has not yet been determined but will be held sometime in October and is open to the public.

We revised the Parking Ordinance to include two amendments. Please do not park from the Town Office to the intersection of the Pond Road (currently marked Fire Lane) and motor vehicles are prohibited on any public way from 10PM – 7AM between November 1st and April 1st.

TOWN CLERK: 2019 Dog licenses will be available Tuesday, October 15th. Proof of current rabies vaccination must be presented. State law mandates that ALL DOGS be registered annually by December 31st. Barbara Jensen with the Millbridge Veterinary Clinic will be having a RABBIES CLINIC for dogs and cats that will be held at the Fire Station in Prospect Harbor on Wednesday, November 6th, from 4:30 – 6PM. Rabies shots will cost $12. You may also register your dog at this time. We do ask that if you have a cat, make sure to bring it in a pet carrier, and if you will be bringing a dog, please put them on a leash.

Gouldsboro Police Department: It’s October, which means drug take back day and Halloween. Drug Take Back day will be October 26th. We will be partnering with Winter Harbor Police Department this year. If you have any old, expired, or unused medication that you would like to get rid of this is a safe and easy way to do it.

Now let’s talk Halloween Safety. Halloween is usually a magical time for children, but with all their excitement they usually do not pay attention to being safe. A couple of good things to remember are:

1. Make sure there is supervision. A good guideline is to have a small group of children and an adult that is able to watch them closely.
2. Carry a flashlight. This will not only help you see where you are going but also help drivers see you.
3. We do not have a lot of sidewalks in town so make sure that you are practicing traffic safety while you are out doing your trick or treating. Walking facing traffic, staying out of the travel portion of the road, and sticking to neighborhoods where the traffic is less heavy are usually good rules of thumb.

With all that in mind I would like to encourage everyone to participate in the Halloween hay ride that is being put on by the Gouldsboro Fire Department. Winter Harbor and Gouldsboro Police Departments will be there assisting! If you have more questions on Halloween Safety there are many useful websites available on line or you can also contact our office. Stay safe and have a good October! -Sergeant Shively

VETERAN’S DINNER: It is close to that time of year again and we are planning for the Veteran’s Dinner. This year we have changed the date up a little, so the dinner won’t be the same day as Veteran’s Day. The dinner will be November 9th at the Prospect Harbor Women’s Club starting at 5PM. We will need help setting up, cooking, serving, doing dishes and cleaning up. Also people willing to bake or provide desserts are needed. If you would call the Town Office at 963-5589 to volunteer to help, bake or donate, it would be most appreciated. Anyone wishing to attend please call or come in to the Town Office and sign up so we know how many will be attending. Free to all Veteran’s and their families. Thank you in advance!

HALLOWEEN DANCE FOR PRE-K THROUGH 5TH GRADE: The Winter Harbor Rec Committee is hosting a Halloween Dance for Pre-K through 5th grade for Peninsula students (and area homeschooled students). Saturday, October 19th, 1 – 3PM at Hammonds Hall in Winter Harbor. There will be a costume contest, games, music and snacks. Children must be accompanied by an adult. Younger siblings not yet attending school are welcome too. Happy Halloween!

Schoodic Institute: Pastel Workshop with Tom Curry. Monday and Tuesday, October 7th – 8th from 8:30AM – 3:30PM. Tom Curry, an esteemed Maine coast artist, conducts a two day pastel painting workshop. For more information and to register visit SchoodicInstitute.org. The Wisdom of Clouds. Tuesday, October 8th at 7PM at Moore Auditorium. This event is FREE and open to the public. Learn to read the sky. Brown Bag Lunch. Thursday, October 17th at NOON at the Moore Auditorium. This event is FREE and open to the public. Join Bik Wheeler, Acadia National Park Wildlife Biologist, to learn about bird behavior ecological theory and natural history at Bass Harbor Head.

HISTORICAL SOCIETY: Monthly meeting will be held Monday, October 7th starting at 7PM at the Young-Webber Hall of the G.H.S Building. The program will be “THE HISTORY OF THE BOSTON POST CANE IN NEW ENGLAND” presented by Larry Peterson, President of the Gouldsboro Historical Society. Light refreshments will be presented.

For more information please contact 963-7217.

FLU SHOT CLINICS AT EWD - It doesn't seem possible but here we are on the cusp of flu season again. Flu shots are available at NLH-Eleanor Widener Dixon Memorial Clinic again this year in one of three ways: 1) if you have an appointment with your provider, you can discuss the vaccine with him/her and have it administered as part of the visit, 2) you can walk in and request the vaccine, or 3) you can come in on one of our Flu Shot Clinic days. The advantage of coming in on a flu shot clinic day is far less wait time. On those days we have a medical assistant specifically assigned to give flu shots so your wait time is very short; if you come in on other days you may have to wait awhile until a medical assistant is free. Our first clinics are 10/2 and 10/3 from 9AM – 12PM and 1PM – 4PM as well as 10/4 from 9AM – 12PM. You may call 963-4066 to find out the day/times of other clinic. Please call the clinic to learn other days and times.

BONE BUILDERS - Bone Builders is a free twice-weekly exercise program designed to prevent and reverse osteoporosis through: strength training, balance exercises, and osteoporosis related health education. Leaders will share health information that you can use to become stronger, enhance energy and feelings of well-being. Classes are scheduled for Mondays & Wednesdays from 1 – 2:30PM at the Sullivan Town Office. Enrollment will be limited to 15 participants.

RSU 24 SCHOOL BOARD - The start of the school year was seamless as the feeling in the building was like students and staff never left for the summer. We continue to do the detail work involved with the building project. Our architect is working diligently with us to refine the interior drawings, conduct the necessary studies, and to work through the final specs to come up with a formal design that can be presented for bid. This is a bit of a tedious process but a necessary one that includes input and approval from the Building Committee. The Building Committee meetings are open to the public and your input is welcome at those meetings as well. All meetings are posted on our website and specific details of the project can be found by clicking on the New Building Project Link. Our schools are working through the fire drill and emergency situation procedures as well. By RSU #24 Board policy, we have a set number of drills to conduct throughout the school year. As a practice, we do not announce the drills to our parents or community but I want to assure you that we take this part of our work very seriously. We are still in need of a couple of teachers at Sumner High School (Technology/Industrial Arts and Special Education) along with a part-time ed tech at the Cave Hill School. Please get in touch with Janet Jordan from Human Resources at 422-2017. Thank you for your continued support of our schools.

WEST GOULDSBORO VILLAGE IMPROVEMENT ASSOCIATION - The West Gouldsboro VIA is holding its 2019 fall business meeting and Annual Pot Luck Supper on Sunday, October 27th at 5:30PM at the home of VIA member, Nathaniel Bradley. We are asking our members to please bring their favorite dish. This summer we had a successful bake sale; we hosted many visitors to the library and church; and most importantly, we brought a beautiful conclusion to phase 1 of our Union Church restoration project. The library received a new coat of paint, refurbished front stairs, and updated wiring. We would like to thank the donors to our restoration fund and the many visitors who came to visit us at the library and church this summer.

CRAFTERS AND ARTISANS! - The Peninsula School Parent Teacher Club will be hosting its Annual Craft Fair and Chinese Auction on Thursday, December 5h, during Holiday Shopping night in the newly renovated Winter Harbor Gym. Please contact the PTC to rent a table. Cost is $30.00. For more information call 207-632-0314. Registration forms are also available at the Peninsula School, Gouldsboro and Winter Harbor town offices. Thank you!

Special appreciation to Anderson Marine Hardware, Mc’s and Young’s for offering our trash tags at their markets as a service to our community. It is so helpful for many who cannot get to the town office during business hours.
