

## **HELP WANTED: TOWN MANAGER**

### **TOWN OF GOULDSBORO**

The town of Gouldsboro is heading in an exciting direction and we are welcoming talented people to be part of that. Due to retirement, we are seeking a town manager to oversee five departments, including a seasoned office staff, active infrastructure superintendent, and top-notch police, fire and emergency medical services. The town manager works very closely with our select board as well. Gouldsboro has a population of 1,744 and enviable resources: Acadia National Park on the Schoodic Peninsula; one of the longest coastlines in the state; new schools; energetic young families; a wealth of knowledge among our retirees; a very effective Neighbors Helping Neighbors program that serves as a safety net when the unexpected occurs; a nationally recognized clam seeding program, and the beginning of a new program to insure that people who work in Gouldsboro can afford to live in Gouldsboro. New businesses are opening up. Our community is thriving. We also are a quick 20-25 minute drive to the city of Ellsworth. Salary commensurate with experience and enthusiasm (up to \$90,000) with excellent benefits and a very supportive work environment.
