Meeting was called to Order by Mike at 1800 hours

Mike passed Ordinance with changes and we discussed changes along with any spelling or punctuation corrections. We looked it over, Mike told us that he added a couple sentences, so we discussed them. We agreed to take home and read them to see if there were any more corrections needed

We also went over the mooring application to see if that was satisfactory, Harbors need to be adjusted. We then discussed the fee for a mooring. We agreed that we would discuss at the next meeting after thinking about it.
