Gouldsboro Town Office

Present: Barbara Bowen, Sandy Gerlock, Bob Harmon, Deirdre McArdle, Josh McIntyre

Deirdre called the meeting to order. The goal for the meeting was to determine the path forward for completing the Town's 10-year comprehensive plan for delivery to the State by Wednesday, December 31<sup>st</sup>. Approval and sign off on the plan will be needed by the 10-year Comprehensive Plan Committee, the Planning Board, the Selectmen, and the Hancock County Planning Commission (HCPC) before being presented to the State.

Sandy and Barbara will reconvene as many committee members as possible to review the chapters before forwarding on to the Planning Board. In addition to their work, Bob will review the Land Use chapters, Deirdre the Transportation chapter, and Josh the Fiscal, Economy and Public Facilities chapters. Six weeks is the time limit for this first stage, although completed chapters may be submitted to the Planning Board earlier.

Deirdre is contacting Avery at HCPC for a few clarifications. Josh passed out several documents that might help update data in the report.

Next meeting for this group is Monday the 8<sup>th</sup> at 4p.m. in the Town Office.
